

June 2009

Dear BU SON Student:

Welcome to the Belmont University School of Nursing! We hope you are excited about starting your nursing curriculum in January. The Student Nurses' Association (SNA) at Belmont is sponsoring the sale of lab coats needed for clinical rotations. You must have a lab coat with the Belmont School of Nursing patch sewn on the left sleeve as part of your student nursing uniform.

Purchasing your lab coat from the Student Nurses' Association will save you the trouble of obtaining one yourself when classes begin. You will receive a high quality lab coat with the patch already sewn on and your name embroidered on the front. Included in the cost you will receive a second patch to sew on a uniform scrub top. The attached order form includes a full description of the lab coat as well as sizing information. The Student Nurses' Association will have Belmont School of Nursing t-shirts and sweatshirts on sale as well. All of these offers serve as fundraisers underwriting SNA functions for the upcoming year such as scholarship assistance, community outreach projects, parties and snack breaks.

If you would like to purchase your lab coat through the SNA, please see the enclosed order form for payment and order information. Orders are due on the same date as your health record packet. Your lab coat will be available for pick up at the mandatory nursing Blitz scheduled for January.

If you chose not to purchase a lab coat through the SNA, you will need to purchase two patches from the School of Nursing for your uniform. They are \$3 a piece and are available in the School of Nursing administrative offices.

Best wishes,

Belmont SNA President
