**Introduction to Delta Dental**

This is a brief description of the most important features of the Delta Dental Program. This program allows you to go to any dentist, however, it is to your advantage to select a participating Delta dentist.

**Finding a Participating Delta Dentist**

There are over 163,000 participating dental locations in the nation. To verify participation status, visit Delta Dental's web site at [www.DeltaDentalTn.com](http://www.DeltaDentalTn.com) (choose Delta Dental Premier), call our Customer Service Department at 615-255-3175 inside the Nashville calling area or 1-800-223-3104 outside of Nashville, ask your group administrator, or simply ask your dentist they are a participating Delta dentist.

**Maximum Plan Allowance (MPA)**

You are not responsible for charges exceeding the MPA if you go to a participating Delta dentist. You are responsible for charges exceeding the MPA if you go to a non-participating dentist. The MPA charges are based on fees charged in your geographic area.
