

# Student Affairs Division

*Inspiration & Aspiration*

## **Inspiration:**

Men and women empowered to successfully pursue their calling and change their world

## **Aspiration:**

Student Affairs aspires to be exceptional at engaging and educating students

## **Key Commitments:**

(The “Three E’s”)

### *Exceptional*

Student Affairs programs and interactions are extra-ordinary. Their quality/impact is distinctive among:

- Peer institutions (external context)
- University programs (internal context)
- Students’ experiences (individual context)

### *Engaging*

Student Affairs programs and interactions foster meaningful student engagement by maximizing their involvement and influence in the university community.

#### **Involvement**

Opportunities for exposure to the university’s Values, People, and Programs

#### **Influence**

Opportunities to effect the university’s: Environment, Governance, Policies, Decision-making

### *Educational*

Student Affairs programs and interactions are developmental. They discover, develop, and deploy students’ abilities for success in life and leadership.

#### **Life**

Preparation for personal and professional success beyond graduation

#### **Leadership**

Preparation to lead others and transform their world
