WHAT ARE TOWER TALKS?

Tower Talks are a part of BOLD’s Becoming Engaged Leader level of engagement.

During Tower Talk, students will share a leadership experience they’ve engaged in during their undergraduate experience. The “talk” will be shared through one of several options:

- 2 to 3 page paper
- 3 minute video
- 5 minute convocation (Pecha Kucha, 20 slides total)
- 11x17 digital poster presentation

Wait there’s more!
The story must relate to one or more of the BOLD leadership competencies:

*Ethics, Resilience, Collaboration, Communication, Inclusivity, or Service.*

Three Requirements:
1. Describe one obstacle, challenge or issue you faced as a leader.
2. The story must describe how you changed following your leadership experience. (Give us the details!)
3. Share what you will do moving forward because of your experience.
