CHRISTIAN COMMUNITY

Belmont University presents Jesus as the Christ and as the model for personal behavior. Students are encouraged to commit themselves to high moral standards and to discover Christian values basic to wholesome personal growth and spiritual fulfillment.

► *Through University Ministries, a group of Belmont faculty, staff and students traveled to the Gulf Coast for fall break to help restore areas ravaged by Hurricane Katrina. Belmont also welcomed 29 displaced students to campus for the fall semester, sending their tuitions to the students' home universities.*

- ▲ The fifth annual Read With Me Family Literacy Day held on Belmont's campus encouraged reading by children from pre-kindergarten through sixth grade.
- Members of the Belmont community gave up all beverages except water for two weeks and donated the money saved to well-drilling projects in the war-torn African country of Sudan.
- ▼ Approximately 650 freshmen volunteered to help in service to the Nashville community as a part of "Welcome Week" for the new school year in a variety of community service projects as a part of SERVE, or Students Engaging and Restoring through Volunteer Experiences.
