

Psychology Faculty, Alumna Participate in Book Project

Dr. Peter Giordano, chair of Psychology, has published an edited book titled *Your Career in Psychology: Putting Your Graduate Degree to Work*. Edited with Stephen Davis and Carolyn Licht and published by Wiley-Blackwell, the book targets early career psychologists or those about to complete graduate training in psychology who are entering the job market.

One of the chapters in the book ("The Life of a College Professor: Teaching, Research, and Service") is authored by Dr. Lonnie Yandell, professor of Psychology at Belmont. Another chapter ("Negotiating the Application and Interview Process") is written by Dr. Christia Spears-Brown, an alumna of Belmont's Psychology Department who is now a faculty member at the University of Kentucky.
