WELCOME TO RESIDENCE LIFE!

We are glad you are here and are happy to spend some time with you during Towering Traditions orientation. This handbook is designed to answer many of the questions you may have. It is filled with pertinent information for your student concerning their residence life experience at Belmont.

If you have additional questions, please contact our office at 615.460.5802 or stop by and see us. Our office is located at the end of Wright Hall. We hope you enjoy the presentation!

RESIDENCE LIFE VISION & MISSION

Vision
The Department of Residence Life at Belmont University is committed to fostering a Christian community that encourages students and staff to focus on personal and spiritual growth, as well as individual, communal and civil responsibility within an educational and purposeful living environment.

Mission
Community Responsibility
• We promote respect for all people and property, as well as the rights and responsibilities of all individuals within the community.
• We serve as resources committed to honest and effective communication with students, parents, alumni, colleagues and members of the greater community surrounding Belmont.

Challenge/Support
• We seek to provide a vibrant community rich with opportunities for both personal and professional growth, emphasizing compassion, accountability and the development of the individual.

Commitment to Quality
• We value qualitative interactions, a timely response and a positive professional attitude in both individual and collaborative work.
• We seek to advance our work as representatives of the values and mission of Belmont University and the Student Life Division through authentic and consistent relationships.

Personal Development
• We seek to empower students to make successful personal and professional transitions.
• We foster a community that promotes an excitement for learning while encouraging respect for oneself and others.
• We strive to create an environment that will culminate in self-discovery and a strong sense of personal and community identity.

Service-Motivated
• We seek to serve students and our peers through respect, compassion and understanding guided by Belmont University’s values, standards and expectations.

Spiritual Education and Integration
• We are committed to the development of a vibrant and dynamic Christian community upholding our dedication to the Christian values basic to personal growth and spiritual fulfillment.
• We commit to foster an environment open to the free exchange of spiritual ideas in the context of Christian education.

RESIDENCE LIFE COMMUNITY EXPECTATIONS

Belmont University’s Office of Residence Life strives to create a residential community that both relies upon and fosters:

Mutual Respect
In an increasingly diverse world, it is essential that students appreciate the value of diversity in a community. The rich residential community offers exposure to a wide variety of people, perspectives and personalities, and develops residents’ regard for individual differences and their ability to participate effectively in the larger community.

Broad Interdependence
Increasingly, students’ success in the University and in the world beyond depends upon their ability to collaborate effectively with others. The community living experience quickly illuminates residents’ interdependence and nurtures their spirit of cooperation and interpersonal skills.

Personal Responsibility
Effective men and women take responsibility for the decisions and experiences that shape their lives. Residence Life prepares residents to make the challenging decisions of their collegiate and post-collegiate experiences by providing authentic choices and realistic accountability during their residency.

Personal Growth
The desire and ability to learn in all contexts is essential to students’ immediate and future success. By actively supporting residents’ academic achievements and providing countless opportunities for personal and interpersonal growth, Belmont’s living-learning community broadens residents’ understanding of where learning occurs and how it is applied.
RESIDENCE LIFE SUSTAINABILITY INITIATIVE

As a part of Belmont’s environmental sustainability initiative, Residence Life has implemented new sustainable practices. These energy efficient products and practices help us keep utility costs down, and thus keep living costs down, while also protecting the environment. Our efforts include replacing light bulbs with Compact Fluorescent Light (CFL) or LED light bulbs, utilizing recycling stations in each residential complex and exploring new technology options to reduce our carbon footprint.

Energy Conservation Efforts

Below are the steps we are asking our students to take in order to contribute to our conservation efforts.

- Refrigerators purchased are required to be Energy Star rated, and they must be less than 4 cubic feet and 1.8 amps. Products that bear the Energy Star meet strict energy efficiency guidelines set by the EPA and US Department of Energy.
- Residence Life uses CFL or LED light bulbs and requires students to use these bulbs in appliances that accept them. Energy efficient light bulbs use 75 percent less energy and last about 10 times longer than incandescent bulbs.
- Residence Life also requires students to purchase Smart Strip Surge Protectors. Devices such as cell phone chargers constantly draw energy when plugged in. These surge protectors are different than regular surge protectors because they automatically shut off power to devices that are not in use. Smart Strip Surge Protectors are available online, at numerous retail stores and through the Residence Life Marketplace.
- Residence Life encourages families to limit the amount of cardboard waste produced on move-in day by unpacking as many prepackaged items as possible before coming to campus and by bringing belongings in plastic storage containers.
- In addition, Residence Life does not allow two-prong extension cords, because they are a fire safety hazard. Three-prong extension cords are acceptable.

HOUSING REQUIREMENTS

Belmont University requires all full-time, undergraduate students and incoming full-time, undergraduate transfer students with fewer than 60 credit hours to live in campus housing.

This rule applies unless the student is:

- 21 years of age or over by the beginning of the Fall Semester of that academic year;
- married and/or has children residing with him/her;
- living with parents, legal guardians, grandparents or siblings over the age of 25 while attending Belmont.
- or has more than 60 credit hours by the start of the Fall Semester.

No mid-year exemptions will be granted for age or credit hours. Your housing assignment is for the entire year—see Housing Occupancy Agreement for exceptions.

All exemption requests must be approved through the Residence Life Office.

YOUR HOUSING ASSIGNMENT

How Assignments Are Made

- Assignments are determined based on the date of receipt of the online housing application and space availability. Special attention is given to preferences and requests; however, no assignment based solely on the resident’s request is guaranteed.
- Roommate requests must be mutual and received by May 1.
- From the $250 enrollment deposit, $100 will be deducted to serve as a one time housing application fee.

Getting Your Assignment

You can see your assignment and roommate information, including their address, telephone and Belmont e-mail, by logging on to your myBelmont account (my.belmont.edu) and clicking on the Housing link. You will receive additional mailings from us before you arrive—including instructions about move-in day, dining information and offers from some of our campus partners about products like linens and personal property insurance.
PACKING

Microwave (Less than 800 watts)
Coffee pot with no exposed heating element
Musical instrument
Computer
Linens: towels and bed sheets (extra long twin)
Homeowner’s/renter’s insurance
Painter’s tape & 3M hooks
School supplies
Bathroom cleaning supplies (suite style bathroom only)

What NOT to Bring
Barbecue grills
Pets other than fish (10 gallon tank max)
Full-size refrigerators
Incense
Toaster/toaster oven
Coffee pot with exposed heating element
Weightlifting equipment
Open coil appliances
Fireworks
2-prong extension cords

*Any product that bears the Energy Star label meets strict energy efficiency guidelines set by the EPA and U.S. Department of Energy. Energy efficient light bulbs use 75 percent less energy and last about 10 times longer than incandescent bulbs.

BRUIN MARKETPLACE
Belmont’s Marketplace is a convenient way to purchase items for your room that meet all of our energy standards. Any items purchased through Belmont’s Marketplace Program (including the micro fridge) will be delivered to your room and waiting for you when you arrive on move-in day.

CAMPUS MAIL
All mail will be delivered to your residence hall lobby or apartment clubhouse.
Your mailing address will be as follows:
Your Name
Belmont University
1900 Belmont Boulevard
Residence Hall & Room #
Nashville, TN 37212

If you change rooms, it is your responsibility to update your new room assignment with The UPS Store at Belmont. Complete a Change of Address form with USPS for permanent off campus address changes only (available online at moversguide.usps.com/mgo/disclaimer). It is also your responsibility to notify any family, friends, creditors, banks, etc. of your change of address. For summer break and Christmas break, mail forwarding updates and changes can be made through Banner Web via your MyBelmont portal.

All mail will generally be placed in your mailbox by 4 p.m. each day, Monday through Friday (there is no mail delivery on Saturday, Sunday or federal holidays). If you receive a package, you will be notified via email. All packages can be picked up at the Belmont UPS Store located on the corner of 12th Ave. South and Acklen Ave.

Students may have some of their belongings shipped to their campus address prior to their arrival. We ask that packages arrive no earlier than a week before move-in due to our limited storage space. Storage fees may occur for incoming packages that arrive earlier than a week before move-in.

If you need summer storage, please visit www.premiercollegestorage.com for more information. If you have any questions about campus mail, please contact the Belmont UPS Store at 615.460.6638.

ON-CAMPUS DINING

All students living on campus are required to have a meal plan. Meal plans can be altered within the requirements until the last day to drop/add in the Fall Semester, and after drop/add are unalterable for the rest of the academic year. Please choose carefully, as you will have to keep the same plan for the entire year; however, you will be able to add additional Bruin Bucks at any point in the semester.

If you are having trouble selecting a meal plan, here are a few suggestions: Consider your daily routine; do you eat three meals a day? Will your class schedule, studying, extracurricular activities and social events interfere with dining? Will you miss dinner due to employment or evening classes? Anticipating the answers to these and similar questions will help you to create a meal plan that best fits your lifestyle.

Special Dietary Needs
Students with food allergies are strongly encouraged to contact University Dietitian Kara Miller (kara.miller@sodexo.com) to discuss safe food options on campus. Students with special dietary needs are expected to communicate their needs and restrictions to the dining team.

Meal Plan Options for All Students
Unlimited meals + 100 declining points
14 meals/week + 275 declining points (minimum required for freshmen)

Meal Plan Options for Upperclass Students Only (Sophomores, Juniors and Seniors)
7 meals/week + 400 declining points (minimum requirement for all upperclassmen facilities)
5 meals/week (minimum requirement for commuter students only)

Students may use their Declining Points with their Belmont University student ID card. Additional points, called Bruin Bucks, can be billed to your student account up until the last day of October for fall and March for spring. After that, they must be purchased through Belmont Central. Bruin Bucks are purchased separately from a meal plan and carry over from semester to semester.

HAIL HALL

Hail Hall is one of Belmont’s oldest historical halls, built in 1923. It is named after Eustis Hail, a Vice President of the Ward-Belmont School. It is home to 78 freshman women. It features 39 double occupancy rooms and a community bath on each floor. Each room is equipped with internet and cable hook-ups. The building is heated and cooled by central air. The front and side entrances are card accessible by Hail residents only. There are visitation hours for guests of the opposite sex who must check in at the front desk.

Staff

Hail Hall residents are supported by three Resident Assistants (RAs). There is one RA per floor. Each RA has gone through extensive training in order to be a resource to our residents. RAs create social and educational opportunities within the complex through programming and community-building efforts. The RAs are supervised by one full-time, live-in professional staff member, known as the Residence Director (RD). The RD is trained in crisis management, acts as a resource to the residents of the complex and oversees the administrative aspects of the building such as maintenance and discipline. The RD maintains regular hours in the office located off the main lobby. The RD also lives in an apartment located on the second floor of the building.

BELMONT COMMONS

Belmont Commons is a townhouse complex with 30 4-bedroom, 2 1/2 bath units. Any student with 30 credit hours or two completed semesters of college is eligible to live in the Commons. It has a unique feel because of its location three blocks off the main campus on Belmont Blvd. It is also a gated community with access through driving and pedestrian gates. There are two designs for the apartments. One design has two bedrooms downstairs joined by a bathroom and two bedrooms upstairs also joined by a bathroom. The second design has all four bedrooms upstairs joined together by two shared bathrooms.

The Commons Clubhouse houses six washers and six dryers for convenient laundry access. All utilities, cable service and internet service are included in the cost for Belmont Commons.

Staff

Belmont Commons residents are supported by five Residents Assistants (RAs) who live in apartments throughout the complex. Each RA has gone through extensive training in order to be a resource to our residents. RAs create social and educational opportunities in the complex through programming and community-building efforts. The RAs are supervised by a full-time, live-in professional staff member, known as the Residence Director (RD). The RD is trained in crisis management, acts as a resource to the residents of the complex and oversees the administrative aspects of the complex such as maintenance and discipline. The RD maintains regular hours in the office located in the Clubhouse and lives within the complex. The front desk in the Clubhouse is open from 10 a.m.–10 p.m. Monday through Saturday to assist with any resident needs. The Clubhouse is also available for band rehearsals or other functions at the discretion of the RD.
