Hail Hall

Hail Hall is one of Belmont's oldest historical halls, built in 1923. It is named after Eustis Hail, a Vice President of the Ward-Belmont School. It is home to 77 freshman men and women. It features 39 double occupancy rooms and a community bath on each floor. Each room is equipped with internet and cable hook-ups. The building is heated by radiators in each room and cooled by central air. The front and side entrances are card accessible by Hail residents only. There are visitation hours for guests of the opposite sex and all guests must check in at the front desk.

Staff
Hail Hall residents are supported by three Resident Assistants. There is one RA per floor. Each RA has gone through extensive training in order to be a resource to our residents. RAs create social and educational opportunities in the complex through programming and community building efforts.

The RAs are supervised by one full-time, live-in professional staff member, known as the Residence Director. The RD is trained in crisis management, acts as a resource to the residents of the complex, and oversees the administrative aspects of the building such as maintenance and discipline. The RD maintains regular hours in their office located off the Main Lobby. The RD also lives in an apartment located on the second floor of the building.
