It was named in honor of Susan Heron who, along with Ida Hood, established the Belmont College for Young Women. There are 56 rooms with double. Heron Hall residents are supported by four Resident Assistants. There is one RA per floor. Each RA has gone through extensive training in order to be a resource to our residents. RAs create social and educational opportunities in the complex through programming and community building efforts.

The RAs are supervised by a full-time, live-in professional staff member, known as the Residence Director. The RD is trained in crisis management, acts as a resource to the residents of the complex, and oversees the administrative aspects of the building such as maintenance and discipline. The RD maintains regular hours in their office located on the first floor. The RD also lives in an apartment located on the first floor of the building.
