**Staff**
Kennedy Hall residents are supported by eight Resident Assistants. There is one or two RA’s per floor. Each RA has gone through extensive training in order to be a resource to our residents. RAs create social and educational opportunities in the complex through programming and community building efforts.

The RAs are supervised by one full-time, live-in professional staff member, known as the Residence Director. The RD is trained in crisis management, acts as a resource to the residents of the complex, and oversees the administrative aspects of the building such as maintenance and discipline. The RD maintains regular hours in their office located off the Main Lobby. The RD also lives in an apartment located on the ground floor of the building.
