Staff
Tall Hall Apartments residents are supported by 16 Resident Assistants, with 1 RA per floor. Each RA has gone through extensive training in order to be a resource to our residents. RAs create social and educational opportunities in the complex through programming and community building efforts.

The RAs are supervised by one full-time, live-in professional staff member, known as the Residence Director. The RD is trained in crisis management, acts as a resource to the residents of the complex, and oversees the administrative aspects of the complex such as maintenance and discipline. The RD maintains regular hours in their office on the first floor. The RD also lives in an apartment within the complex. Tall Hall is also supported by a part-time graduate assistant.

The front desk will be open during visitation hours.
