Please be aware that we must have a 2008-2009 Free Application for Federal Student Aid (FAFSA) on file in conjunction with this application. Graduate students can borrow up to \$20,500 in Federal Stafford loans per academic year. If you have borrowed this amount in the fall 2008 and spring 2009 semesters, you will not have any remaining eligibility. If you have remaining eligibility, we will email you at the address you provide on this application. We will request a response from you before processing further loan money.

Satisfactory Academic Progress is calculated at the end of the spring semester, you may not qualify for federal financial aid if you are not making SAP. (Please visit www.belmont.edu/sfs and click on Financial Aid Information for further information on SAP).

An option you may consider for the summer is an alternative educational loan. List of alternative loan lenders are available online at www.belmont.edu/sfs, click on Student Loan Information.
