Silent Auction Procedures

- Those wishing to bid on an item must register to receive a Bidder # (Sign-up Sheet attached).

- Bidders should use their numbers to bid on an item so their names and phone numbers won’t be on the bid sheets.

- The auction will close at 3:45 p.m.

- **Winning bidders do not have to pay for the item on Saturday, but must make arrangements to pay for the item by Monday, March 2.** Winning bidders paying with cash or check may take the item with them on Saturday. If the winning bidder is unable to pay on Saturday, they must make arrangements to pay by Monday, March 2, or the next highest bidder will be contacted and given the chance to claim the item. Please ask them contact Tim Stewart and give them one of his business cards.

- **Items must be paid for before being picked up.**
