Senior Capstone Seminar

In your years at Belmont University, you will meet many different kinds of people—friends, classmates, faculty, staff, guest speakers. They will influence how you think and act.

You will learn more about the world and how it works—history, science, art, music, language, math, religion. This will affect the choices you make.

The Senior Capstone is the final piece of the puzzle that completes your BELL Core experience. You will reflect on your entire Belmont career and the effect it has had on your mind and spirit and the direction of your life. Where do you go from here and why? What do you hope to accomplish and how will you do it? The educational experiences you have, the friends you make here, will go with you. What will you make of them?

Senior Capstone Seminar is designed to encourage reflection on these questions.
