Revised Summer 2014
The day you’ve been waiting for is finally here – you’ve arrived at Belmont! The next several weeks (and most likely years) will hold some interesting challenges for you. Please read our advice over the next several pages; it may save you some time and trouble. This may be your first time away from home, and you may miss the comforts of home very much. These pointers might be helpful:

1. Recognize that the transition from living at home to living on campus takes time.
2. Recognize that homesickness is a normal response to change.
3. Talking to others about feelings of homesickness is important and helpful.
4. Maintain a regular routine as much as possible. Take care of yourself in small ways (i.e. favorite foods, TV shows, practice, etc.).
5. Use this time of transition to try something new (join a student organization, make new friends, etc.).
6. It’s okay to be uncomfortable with change, but attempt to adjust to your surroundings.
7. Remember that you will get over feeling this way – don’t give up!

Don’t forget about your parents; they can sometimes feel frustrated if they’re left out of your new life. Do keep in touch with them, and let them know how you are doing – they are an important part of your support team.

There is something for almost everyone at Belmont, which means you’ll have opportunities that you’ve never had before, and you’ll need to make choices. You’ll also be faced with a lot of tough decisions that you may or may not have faced before. There will be decisions about majors, careers, relationships, time management, physical fitness, spirituality, academics, etc. Remember that these are not necessarily issues that you must face alone.

There are several people and offices at Belmont that can help you through these decisions. Don’t hesitate to talk with your roommate, friends, your Resident Assistant, your Residence Director, parents, etc. All of these people are interested in helping you as best they can. Many of them are specifically trained to deal with the issues you’ll be facing, and you’ll be amazed at how helpful they can be if you seek their assistance.

One of the best things you can do for yourself is to take advantage of the many opportunities that are offered to help you get acclimated to Belmont. Go to the Welcome Week programs and events. Attend complex meetings and programs. Get to know those students who live around you. Get to know your community staff; they will become an invaluable resource and support mechanism.
Residence Life Staff

The residence life program is a vital component of student life at the university, particularly since approximately 55 percent of the undergraduates at Belmont University live on campus. Subsequently, the residents are supported and assisted by numerous professional and paraprofessional staff members, most of whom live on campus. Following is a brief description of the roles and responsibilities of the residence life staff members who are available to assist you.

Assistant Dean of Students  The Assistant Dean is a full-time professional staff member who oversees all of the functions of residential life on campus. S/he supervises the two Assistant Directors and deals with strategic planning for the department.

Assistant Directors of Residence Life  The Assistant Director is a full-time professional staff member responsible for the supervision of one of the two main areas on campus – either the freshman or upperclassmen complexes. Assistant Directors directly supervise the Residence Directors assigned to each complex but are also available to assist students with concerns.

Residence Directors (RDs)  The Residence Director is a full-time professional staff member responsible for the general supervision and management of their assigned residence hall or apartment complex. Residence Directors live in their respective areas and are available to assist students with various academic, personal, and social concerns. The Residence Director also supervises the Resident Assistants assigned to each complex and resides in the assigned building or apartment complex.

Resident Assistants (RAs)  One of the first staff members you will meet on campus – and the backbone of the residence life program at Belmont University – is the Resident Assistant. One or two RAs are assigned to each residence hall floor/apartment area and lives with the students in the building/complex. The RAs on campus are carefully selected upperclass students who have been chosen for their commitment to helping and advising a group of their peers. Each RA is trained in assisting and/or referring students with academic and personal concerns. As a residence life staff member, the RA assumes many roles such as resource, consultant, program/activity coordinator, residence educator and community leader. As a residence educator, the RA assists residents in planning, organizing, and coordinating a variety of activities and educational programs designed to provide a positive, fun, and educational environment in the residence halls and apartment complexes. As a community leader, the role of the RA is not to police the residence halls/apartment complexes but rather to respond to incidents and issues which create problems and challenges for the community; to ensure that university policies, regulations, and community standards are upheld within the communities; and to assist residents in responding to conflicts, personal issues, and disagreements that might arise within individual communities on campus. The RA works to build a cohesive community where individual residents will feel comfortable, valued, and respected. Most importantly, the RA will strive to build a community where everyone knows each other and also to build a place everyone is proud to call home.

The Office of Residence Life Staff  The Office of Residence Life (located on the ground floor of Wright Hall) is staffed by the Assistant Dean of Students, two Assistant Directors, an Office Manager, a Billing and Assignments Assistant, and several student support staff members. These people are available to assist students and parents with concerns, issues or questions which arise throughout the student's college career.

ARRIVAL CHECKLIST

- Get your keys for your room and mailbox, if you haven’t done so already.
- Check out your room. Report any maintenance issues to your RA that you do not see on your RCR, just to ensure that you will not be charged for anything you didn’t do. Be sure to completely fill out your RCR.
- Meet your RA. RAs can help you find anything and answer your questions.
- Get your Parking Pass and ID from Campus Security. You must have this to park on campus. Also, if you didn’t do it during Foundations or do not have one from last year, get your ID made at Campus Security. You will need this for eating and getting into your complex.
- Meet your roommate, if you haven’t already. If your roommate is not here yet, be sure that you leave space for his/her belongings. Don’t worry about decorating and hanging pictures yet…wait and figure that out with your roommate.
- Look over the information in this handbook. It has LOTS of great stuff in it and will probably answer many of your questions (i.e., directions, voicemail, etc.)
- Make sure you have eaten and are drinking lots of water…moving in can take a lot out of you!
- Explore the campus. Find the “Caf,” Campus Security and where most of your classes will be.
- Review the TT schedule and plan to attend the events.
- Meet other residents and students. Everyone is (or at least has been at one point) trying to get oriented the same as you. Don’t be afraid to ask for directions.
- If you have any questions at all, be sure to ask a member of the TT or Residence Life staff. They are there to help you as much as possible.
- Say goodbye to friends and/or relatives that helped you move into your new home.
- Remember: Everything doesn’t have to be done on the first day!
Community Councils
Community Council is a residential life governing body that allows students to improve the social, cultural, recreational, and intellectual experience as it exists within their hall or apartment complex. Community Council seeks to provide programs and activities that amplify residential living and provide recommendations to the Residence Director regarding policies related to residential matters. Members of the Community Council hold meetings at least twice a month to organize opportunities that build community, to provide a forum for recommending improvements for their hall, and to offer enjoyable and educational programming for the residents.

Community Council positions are as follows (variation may exist between complexes):

- President
- Treasurer
- Vice President
- Chaplain
- Secretary/Historian
- Member at Large

Contact your RA for information about getting involved.

Employment
As the largest student employer on campus, the Office of Residence Life offers several opportunities for you to earn money, all while developing work and leadership skills and enhancing your resume. There are three different positions available for students in the Office of Residence Life: Office Assistant, Desk Assistant and Resident Assistant.

Office Assistant  Office Assistants are hired to work in the Office of Residence Life. Supervised by the Office Manager, Office Assistants help manage daily operations in the Office of Residence Life by answering phones, filing, preparing mail-outs and other administrative functions. Any student interested in working as an Office Assistant may contact the Office Manager at 615-460-5802.

Desk Assistant  Desk Assistants are hired to work at each residential complex’s front desk. Desk Assistants learn good customer service and organizational skills while assisting residents with various questions, monitoring visitation, sorting mail and packages, etc. Any student interested in working as a Desk Assistant in a residential area should contact the Residence Director of that complex. Desk Assistants are usually hired within the first week of classes each semester.

Resident Assistant  The Resident Assistant position is a unique leadership opportunity in that it aids in developing and using multiple skills and provides knowledge of college issues. RAs receive training in the following areas: helping skills, confrontation, conflict management, programming, alcohol issues, eating disorders, suicide prevention, etc. The Resident Assistant lives on the floor or complex with residents and is hired to be a resource for the residents, to do programming and community building, and to enforce the university policies. The specific qualifications, requirements, and responsibilities for the Resident Assistant position can be found at http://belmont.edu/reslife/selection/index.html. While the selection process for new RAs does not begin until January, students who are interested in becoming a Resident Assistant are advised to begin talking with their RAs and RD in the Fall to find out more about the position.
**Floor Meetings**
For all students living on-campus, there will be mandatory floor meetings to attend each semester. The Resident Assistant of the hall or complex will notify all residents of a meeting a week or two in advance of the meeting time. Residents are expected to be in attendance at all meetings.

RAs conduct these meetings and provide residents with up-to-date information about living policies, contracts, housing draw and housing selection, winter break closing, end of the year closing, and other important information. **Please plan on attending your hall’s opening floor meeting which will take place on Tuesday, August 19 at 7:30 p.m.**

**Front Desk Operations**
Each residential community’s lobby or clubhouse has a front desk staffed by a Resident Assistant or Student Worker. This Desk Worker is responsible for facilitating visitation, answering questions and providing other support to visitors, students and residents. The front desk hours of operations are as follows:*

**Apartments (Commons, Bruin Hills, Hillside)**
- 10 a.m. – 10 p.m. Monday-Saturday
- 6 p.m. – 10 p.m. Sunday

**Dickens Hall, Horrell Hall, Thrailkill Hall & Two Oaks**
- 10 a.m. – 11 p.m. Sunday - Thursday
- 10 a.m. – 1 a.m. Friday and Saturday

**Freshmen Residence Halls**
- Noon – 11 p.m. Sunday-Thursday
- Noon – 1 a.m. Friday and Saturday

*May close early for special occasions, and/or during breaks

**RA on Duty**
Throughout the academic year there are ten (10) Resident Assistants (RAs) in specific residential communities that are on-call to provide assistance or support to the residents. The RA on Duty is required to stay on campus and is on call from 6 p.m.-6 a.m. each night. The RA on Duty is responsible for going on rounds in their specific residential community in order to maintain the general welfare of the residential community and to enforce policies. In the event that a resident cannot contact the RA on his or her floor or complex, the RA on Duty is available to help support the resident. Contact information for the RA on Duty will be posted each night at the front desk of each residential community’s lobby or clubhouse. The following residential communities have an RA on Duty:

- Belmont Commons – 1 RA on Duty
- Hillside – 1 RA on Duty
- Bruin Hills and Horrell Hall – 1 RA on Duty
- Thrailkill Hall – 1 RA on Duty
- Dickens Hall – 1 RA on Duty
- Two Oaks Suites & Apts – 1 RA on Duty
- Kennedy Hall – 1 RA on Duty
- South Village (Wright and Maddox Halls) – 1 RA on Duty
- North Lawn 1 (Hail, Pembroke and Heron Halls) – 1 RA on Duty
- North Lawn 2 (Potter, Patton/Bear House) – 1 RA on Duty
Room Condition Report

When you move into your residence hall room or apartment, a statement of the “condition at occupancy” is provided to you. At that time, you are asked to bring to the attention of your Resident Assistant any discrepancies between the conditions noted on the Room Condition Report form and those you actually find in your living space. You should be sure that your Resident Assistant documents any discrepancies that you may find.

When you move out, the condition of your room will be compared with the information noted on your Room Condition Report form. You are expected to return your room to its original, opening condition or to pay for damages which are present (beyond normal wear and tear) at checkout. Further, students are not allowed to repair significant damages to the room or make improvements. These should be left for Facilities to repair.

Since you are responsible for the condition of your living space, as well as its furnishings, it is most important that you tell appropriate staff (Resident Assistants or Residence Director) about damages at the time of their occurrence. This practice will be particularly important when you feel that the damage was not your responsibility.
RESIDENTIAL KEY & ACCESS AGREEMENT

Upon receipt of the key to my residential facility, I acknowledge my personal responsibility and compliance with the following safety policies. As a member of the Belmont University residential community, I understand that I am responsible for my own health and safety. Belmont has committed significant resources to establish a safe and secure campus environment. Card access permits a student to gain access only to his/her designated residential complex.

It is important for students to support the efforts for campus safety. In order to make Belmont residential communities as safe as possible, Residence Life has set the following expectations for campus residents. Violations of these may be processed through the university judicial system.

1. I agree to lock my residence hall/apartment door when I am not present.
2. I agree to immediately report the loss of my key(s) to Residence Life staff.
3. I agree not to loan or give my key(s) or Belmont University ID card to anyone, for any reason.
4. I agree to pay the cost of replacement for keys and locks should I lose my keys.
5. I agree not to prop open any outside entrance, lobby, stairwell, or laundry room doors.
6. I agree to keep windows locked when my room/apartment is not occupied. I agree not to use windows as exits or entrances to any room.
7. I agree to report any suspicious person(s)/activities to the Office of Campus Security or a Residence Life staff member.
8. I agree not to activate a fire alarm or emergency alarm unless warranted by an emergency. I understand that this action is a prosecutable offense and will be addressed aggressively.
9. I agree not to leave guests unattended in my room/apartment.
10. I agree to abide by all Belmont University Residence Life policies and procedures that are found in the Campus Housing Occupancy Agreement, The Bruin Guide (the student handbook), and The Handbook for Residential Living.
CHECKING OUT

Mid-Semester  If you are moving out of your Residential Room before the end of the semester, you must contact your Residence Director to arrange an official checkout time and room inspection. Please return your keys and remove all personal belongings from the room prior to checkout. Generally, room cost refunds are not available unless the Housing Agreement covers an exemption.

Mid-Year  Near the end of the fall semester, students will receive a Spring Residential Living Card, on which they should denote their housing preference for the next semester. Please note that the Housing and Meal Plan agreements you signed are for the entire academic year. Housing exemptions may not be requested mid-year, and meal plans may not be changed.

Students who know they will not be returning to school for the spring semester will need to arrange an official checkout time and room inspection with the Residence Director or Resident Assistant. They will provide you with the necessary paperwork and information to checkout of your space efficiently. Students should not leave without filling out a university withdrawal form and completing a full checkout.

End of Year  You should expect to check out 24 hours after your last final exam. You will receive written materials concerning checkout procedures closer to the end of the academic year. Any questions that are not clarified by the written materials should be directed to your Residence Director.
This is an Occupancy Agreement made by and between the student whose name appears on the statement of confirmation of this agreement (“Student”) and Belmont University (“Belmont”). It grants to the Student permission to occupy a residence hall or apartment space on campus for a specific period of time. This Agreement is not a lease. The Student is not a tenant. Living in campus housing is a privilege that is part of the overall educational experience provided by the university. Students who live on campus are expected to make a commitment to contribute positively to the campus community by abiding by the responsibilities outlined in this Agreement and all associated guidelines and policies. Signing this Agreement is a prerequisite to living on campus.

All full-time, undergraduate, degree-seeking, unmarried students (without children residing with them) are eligible to live in campus housing. Belmont University requires all full-time, undergraduate students and incoming full-time, undergraduate transfer students with fewer than 60 credit hours by the start of the fall semester to live in campus housing unless Student is: 1) 21 years of age or over by August 17, 2014; 2) married and/or has children residing with him/her; or 3) lives with parents, legal guardians, grandparents, or siblings over the age of 25 while attending Belmont.

THIS AGREEMENT IS LEGALLY BINDING. It incorporates and supports policies stated in The Bruin Guide, Belmont University’s student handbook, as well as the contents of the Community Expectations: The Handbook for Residential Living booklet. If Student is under age 18, a parent or legal guardian must sign the Agreement confirmation, along with Student. Student will be held accountable for the information in this Agreement. Please read carefully before signing this Agreement.

Agreement

1. License Granted. Belmont University grants to Student a nonexclusive and nontransferable license to occupy the assigned campus housing space.

2. Term of License. The term of this Agreement shall be August 16, 2014 at 8:00 A.M. through 6:00 P.M., Saturday, May 9, 2015. If this Agreement is for occupancy of a space in a residence hall, this license will be temporarily suspended while residence halls close during Christmas Break (December 13, 2014, 3:00 pm through January 3, 2015, 10:00 a.m.). Belmont reserves the right to, in its sole discretion, suspend this Agreement if necessary to protect the health and safety of its students, staff, or faculty. In addition, Belmont may cancel this Agreement at any time if Student violates Belmont policy and rules as set forth in the Statement of Values or rules concerning occupancy of on-campus housing found in this Agreement, the Handbook for Residential Living, University Catalogue, and The Bruin Guide. These rules and policies are incorporated into this Agreement by reference. A grant of a license under the terms of this Agreement does not imply that Student has the right to occupy campus housing in the future.

3. Housing Fee. Student agrees to pay housing fees each semester according to the payment policy in the Undergraduate Bulletin. Housing fees due for the Fall and Spring semesters are placed on Student’s account upon registration for classes for that semester. The University reserves the right to remove Student from university housing for non-payment of Student’s account of charges (including but not limited to: tuition, bookstore charges, parking fines, and meal plan fees).

4. Housing Deposit (New Student). An enrollment deposit of $250 is paid to Belmont upon confirmation of enrollment to the university. Of this enrollment deposit, $100 represents Student’s housing application fee. This is a one-time fee that remains on Student’s account and is non-refundable.
5. **Enrollment.** As a condition of occupancy, Student agrees to register for a minimum of 12 credit hours each semester during the term of this Agreement. The student must also remain in good academic standing and be actively attending classes.

6. **Cancellation Policy for New Students.** For purposes of this Agreement, New Student is defined as such until the last day of registration in his/her first semester at Belmont. If New Student meets housing exemption requirements outlined in the Introduction and wishes to cancel this Agreement, he/she may only cancel according to the following criteria:

   **A. Cancellation for Fall or Spring.** If written notice of cancellation for Fall or Spring semesters is received by the Office of Residence Life on or before August 4, 2014 for Fall and December 13, 2014 for Spring, this Agreement is canceled with full refund of housing charges. Any cancellation after the above mentioned dates will result in a cancellation fee of 25% of their room rate and after August 29, 2014 for Fall and January 16, 2015 for Spring the student is subject to the proration table below after the first day of classes. The university enrollment deposit of $250.00 is non-refundable regardless of the date of cancellation. Any cancellation after the last day for registration will be subject to the terms of the cancellation policy for current students.

7. **Cancellation Policy for Current Students.** For purposes of this Agreement, Current Student is defined as any student not fitting the definition of New Student (see section 6).

   **A. Cancellation for Current Students for Fall**

   If Current Student, who meets housing exemption requirements outlined in Introduction, wishes to cancel this Agreement but intends to remain enrolled at Belmont or if cancellation is necessitated by one or more of the following events: graduation, withdrawal (not including involuntary withdrawal), or academic ineligibility, he/she may cancel agreement provided that written notification is received by the Office of Residence Life. After August 17, 2014, Current Student may only cancel for Fall by withdrawal. The table below outlines Current Student’s responsibilities based on the date written notification is received in the Office of Residence Life. Please note: This table is independent of the University’s refund table for tuition and other fees.

B. Cancellation for Spring.

The term of this agreement includes the Spring semester. Belmont expects Student to complete the term of the agreement. However, Belmont may make the following provisions for cancellation of the agreement.

i. If Current Student wishes to cancel this Agreement for Spring semester without penalty, he/she may do so only if cancellation is necessitated by one or more of the following events: graduation, voluntary withdrawal, participation in a Belmont program that requires Student to live away from the main campus for Spring semester, or academic ineligibility. Written notice of cancellation must be submitted by Student to the Office of Residence Life by December 12, 2014 and Student must be checked out of his/her space no later than December 13, 2014. Refer to v. of this same section for cancellations after December 12, 2014.

ii. No exemptions will be granted for the Spring semester to Students seeking an exemption based on age (21 years of age or over by August 17, 2014) or by earning 60 credit hours before the start of the fall semester. Other exemptions may be granted by submitting a written request online through the Housing on their myBelmont account by December 12, 2014. If approved, student must be checked out of his/her space no later than December 13, 2014.

iii. Student removed from Belmont housing for disciplinary reasons will be responsible for all housing charges assessed for the semester he/she is removed.

vi. If Current Student does not meet housing exemption requirements and intends to continue enrollment and chooses to vacate his/her space, he/she will be responsible for all terms of this Agreement, including housing charges for the term of the Agreement.

8. Assignment of Campus Housing Spaces and Roommates.

Unless prior arrangements for late occupancy have been made with the Office of Residence Life, failure of Student to occupy his/her assigned campus housing space by the first day of classes (August 20, 2014 for Fall or January 7, 2015 for Spring) may result in loss of the assigned space.

Belmont reserves the right to make housing and roommate assignments and to require Student to relocate within campus housing when assignments or relocations are necessary to carry out Belmont’s educational and/or administrative purposes. This right to make alternate assignments and require relocations includes the authority
to take such action as part of disciplinary sanctions. Nothing in this Agreement shall be interpreted to guarantee
Student the right to live with a specific individual or to occupy

a specific residential space. Occupancy of spaces by fewer or greater Students than the intended number requires
the approval of the Office of Residence Life. Student is expected to only occupy assigned space. Any attempt
to move a space other than Student’s assignment will result in referral to the university judicial system. If one
Student moves from his or her assigned space, the remaining Student(s) will maintain the space in a manner that
would permit another Student to be assigned immediately. Belmont also reserves the right to assign Students to
temporary accommodations in the event that occupancy is exceeded.

9. Meal Plan Requirement. All first semester freshmen living in residence halls are required to purchase a minimum
meal plan 14 meals a week. Upperclassmen students living in the residence halls are required to purchase a
minimum meal plan of 8 meals a week. All students living in a Dickens-style apartment must choose a minimum
meal plan of 5 meals per week. Students in a traditional apartment complex are not required to have a meal plan.
Please choose carefully as Student will have to keep the same plan for the entire year; however, Student will be
able to add additional Bruin Bucks at any point in the semester.

10. Inventory and Inspection. Belmont completes a “Room Condition Report” (RCR) prior to Student occupying an
assigned residence hall or apartment space. The RCR notes the presence and condition of furnishings, fixtures,
and equipment. In addition, any unusual damage or excessive wear to the space is noted. When Student moves
out, Belmont completes a RCR that notes any damage or unusual wear to the furnishings, fixtures, equipment,
and premises. Cleaning charges are assessed if Student does not leave residence hall or apartment space in a
condition allowing immediate occupancy.

11. Checkout. Student agrees to follow posted checkout procedures specific to his/her residential facility. Belmont
reserves the right to require students to move from their residence within 24 hours of Student’s last final exam at
the end of each semester, or 6:00 pm May 9, 2015 , whichever occurs first. If Student withdraws from Belmont prior
to the expiration of the term of the agreement, Student agrees to notify the Office of Residence Life in writing of
withdrawal and complete proper checkout procedures with the Residence Director of Student’s facility within 48
hours of withdrawal from Belmont. Failure to check out within 48 hours of withdrawal or expiration of the license
term will result in a $100 per day late charge for each day. Students removed from Belmont Housing for disciplinary
reasons will be required to complete proper checkout procedures within 48 hours following termination of this
agreement. Failure to checkout by Student will result in a charge to change the lock on Student’s former residential
space based on current lock change rates. In addition, Student will be responsible for all costs associated with the
removal of personal belongings remaining in the space.

12. Furnishings, Additions and Alterations. Student agrees not to alter, remove, trade, or exchange any furnishings,
fixtures, or equipment owned by Belmont located in Student’s residence hall or apartment space or complex. Student shall make no alterations or additions to residential space(s).

13. Entry and Inspection. Belmont reserves the right to enter and inspect Student’s campus housing space for
reasons including, but not limited to: 1) investigating suspected illegal activity or violations of Belmont policy or
regulations, 2) assessing conditions that pose potential threat to the health or safety of campus housing residents,
3) performing maintenance/facility management duties.

14. Personal Property. Belmont assumes no responsibility for, and does not insure against the loss, theft, damage
or destruction of, any of Student’s personal property. Student is encouraged to carry personal property or renter’s
insurance. In addition, Belmont assumes no responsibility for any personal property (i.e. clothes, furniture, audio/
video equipment, etc.) remaining in the housing space after the termination of this Agreement by Student or
Belmont. Abandoned personal property will be disposed of at the sole discretion of Belmont, at Student’s expense.
15. **Guests.** Student is responsible for the actions of his/her guests while on Belmont’s premises, including adherence to Belmont policies.

16. **Expenses of Enforcement.** Student agrees that if it becomes necessary for Belmont to take action to enforce the terms and conditions of this Agreement, Student will pay all costs and expenses (including attorneys’ fees) and any fines associated with its enforcement.

17. **Nondiscrimination.** In accordance with Section 504 of the Rehabilitation Act and other applicable state and federal civil rights laws, Belmont does not discriminate on the basis of race, color, age, national origin, or disability in the provision of residential facilities and services. Any issues or concerns should be reported to the Dean of Students Office at deanofstudents@belmont.edu.

18. **Assignment.** Student may not transfer or assign the rights and interest granted by this Agreement to any other person.

LIVING WITH A ROOMMATE

Chances are good that either you or your roommate will come to campus having never shared a room with someone else. This can be a difficult transitional arrangement for many students. Being a good roommate and enjoying living with a roommate will depend upon your ability to listen, to communicate, and to compromise with one another.

Obviously, you and your roommate are individuals with special interests, hobbies, likes, and dislikes. It is not essential that you each share similarities in every aspect of college life in order to be good roommates. Do not expect to meet your best friend because, as with any relationship, conflicts will arise. How you handle those conflicts will determine your successful living arrangement.

Over the years, it has been found that those roommates who “lay the groundwork” early and respect each other’s rights to privacy and to reasonable socialization tend to experience roommate life positively. As a result, we strongly suggest all first-year students develop a “roommate agreement” in the first weeks of school in order to limit potential conflicts. Your resident assistant can help guide you through this “agreement” in August. Here is an example of such an agreement to use:

Roommate Agreement
Discuss the following items and for each item, answer the question “We agree to…”

Sleep
What time do you go to sleep?
What time do you get up?
Are you a heavy or light sleeper?

Study
How often do you study?
When and where do you study?
How quiet does it need to be while you study?
Do you listen to music or watch TV while studying?
Do you plan to do most of your studying in your room?

Cleanliness
How neat do you want your room to be?
How will you determine who cleans what and when?
Who will take out the garbage, and when?
Who will clean the bathroom, and when? (if applicable)
How do you want to decorate the room?

Use of Personal Belongings
Which of your personal belongings are you willing to share?
Do you have any items that are “off limits?”
Will you share food that you have purchased?
Will you share any clothing items?
Do you wish for your roommate to ask permission before borrowing or using your personal belongings?
**Guest Visitation**
- How many people will visit at the same time?
- When, during visitation hours, will opposite gender guests visit?
- When will same gender guests visit?

**Quiet Hours**
- What does “quiet” mean to you?
- When will you listen to the stereo?
- When will you watch TV?

**Conflict Resolution**
- How will you approach your roommate if conflicts arise?
- How do you wish to be approached by your roommate if conflicts arise?
- How will you use your roommate agreement to mediate conflict?
- What role do you wish for your Resident Assistant to play in conflict mediation?

**Other**
- How would you prefer to handle the mail?
- How would you prefer to handle locking the room door?
- Do you prefer to have the room door open or shut when you are in your room?
- How much time do you want or need to spend with your roommate?
- Any other items?

We hereby agree to abide by the guidelines decided upon above. We understand that we can renegotiate this agreement at any time.

**Signed**

CAMPUSSAFETY TIPS

The staffs of the Office of Residence Life and the Office of Campus Security work very hard to provide the safest environment possible in the residence halls and apartment communities. In return, you have the responsibility to take the time to think about your own safety. If you have any questions, please contact your Resident Assistant (RA) or Residence Director (RD).

KEYS, DOORS, LOCKS AND BUILDING ACCESS
Every hall is equipped with a basic security system: doors and locks. Additionally, all residence halls and apartment community gates are secured by a key card access system, which only allows residents of a particular complex to enter. These systems only work if a student properly uses them.

Security Reminders
• ALWAYS lock your door when you leave your room, even if you’ll be back shortly.
• Be aware of strangers in the area… if anyone looks suspicious or out of place, contact a Residence Life Staff Member or Campus Security immediately.
• Do not hold the entrance door for anyone you do not know.
• Do not let strangers who knock on the door into the building.
• NEVER prop entrance doors open!
• Do not leave your belongings unattended in the common areas.
• Keep valuables locked up or out of sight.
• If you think something has been stolen, report the theft immediately to Campus Security.

SAFETY WHEN OUT AND ABOUT
Although Belmont is a relatively safe campus, it is located in the heart of a major metropolitan city which is also the state capital. As such, the surrounding community will harbor the same sorts of crimes as any other major city. By following some basic crime prevention techniques, you can help keep yourself and the campus safe:

• Walk with a buddy (especially at night) or call for a security escort
• Avoid poorly lit and densely populated areas such as alleys
• Do not let strangers in to your residence
• Do not give rides to strangers
• Do not give money to panhandlers
• Report suspicious activity immediately

For more information on Campus Safety, please visit www.belmont.edu/ocs.

BICYCLE POLICY
Registration of your bicycle increases the chances of recovery if it is stolen. Often when bikes are recovered, the owners cannot be located or cannot legally reclaim their property because they do not know the serial number of the bike. Therefore, the following rules will apply.

All bicycles on campus must be registered with the Office of Campus Security at no charge. Each bicycle must display a decal issued by OCS that is affixed to the bicycle on the permanent part of the frame just under the seat. Bicycles left outside on campus during Christmas break or summer break will be assumed to be abandoned and will be impounded.
Unattended bicycles are expected to be locked to a bicycle rack at all times. They are not to be left in public access areas, entrances or exits to buildings, or attached to any railings, landscaping, or other areas not designated for bicycle use. Specifically, bicycles may not be stored in Residence Hall or Apartment hallways or individual rooms. Bicycles must follow the same laws as automobiles when on roadways. Failure to register your bicycle or violation of above rules will result in impoundment at the owner's expense.

For more information regarding bicycles on campus, please visit http://www.belmont.edu/ocs.

Belmont University Office of Counseling Services

Belmont University offers comprehensive professional counseling through the office of Counseling Services. This essential program equips students to manage life transitions as well as serious emotional issues. The Center’s goal is to help students choose healthy coping skills so that they can continue to be a vital part of the Belmont Community.

Services
Services are provided at no cost to students. Counselors can assist you with a variety of concerns. Problems range in intensity from mild distress to severe and chronic psychological disorders. Examples of complaints that students have include: adjusting to college life, homesickness, depression, relationship concerns, eating disorders, grief and loss, stress, anxiety disorders, alcohol and drug concerns, self-esteem issues, family conflicts and spiritual struggles.

Getting Started
The Counseling Center office is located on the second floor of the Gabhart Student Center above the bookstore. Making an appointment is a simple process. Contact the administrative assistant at 460-6856. The first appointment is called an Intake and will last between 15-30 minutes. Further appointments will last between 45-50 minutes.

The Center is open Monday-Friday, 8 a.m.-4:30 p.m. Students can leave a confidential voicemail at anytime and it will be returned as soon as possible during office hours. Students can also drop by to set up an appointment.

The Belmont University Campus Store, located in the lower level of the Gabhart Student Center, offers many items and programs that can help you succeed at Belmont. Buying textbooks at our university campus store is easy and convenient with services like the Textbook Reservation Program. This program allows you to pre-order your textbooks for the Fall and Spring semester and have them delivered to your dorm free of charge! A pick-up option is also available to anyone that lives off campus. We offer new books, used books, e-books, and rental books that can be found at competitive prices so that our students have a variety of options that meet their individual needs. Textbook buyback takes place daily, and students can get up to 50% back on their textbooks.

The BU Campus Store offers an extensive line of Belmont apparel and gifts to satisfy every Bruin's tastes. The Belmont Bonus Rewards Club is a program that offers you redeemable points from the merchandise and textbooks you buy. Points can be redeemed for BU Campus Store gift cards. Details are available online at www.belmont.edu/bookstore.

You will also find a variety of school supplies from backpacks and copy paper, to acrylic paints, photography paper, stethoscopes and even guitar strings. We have everything a Belmont student will need for class!

MacAuthority and the BU Campus Store have partnered together to offer education discounts on Apple products. Most items are kept in stock; however, items that are not stocked can be received within 24 hours (excluding special orders).

Visa, MasterCard, American Express, and Discover are accepted both in the store and on the website. You may also charge course materials and school supplies to your student account. You will need to check with Student Financial Services for payment deadlines and additional information on the student account.

Because the Belmont University Campus Store is owned and operated by Belmont University, all revenues generated stay on campus to help support the university's mission.
Facilities Management Services (FMS) coordinates maintenance, housekeeping, and landscaping. In addition, they schedule requests for pest control problems.

Students have the responsibility for submitting their own maintenance requests. Your RA and RD can help ensure that a matter is resolved, but you have the primary responsibility for reporting any issues.

Please note that Cable, Internet, and Telephone problems are NOT handled through FMS. All issues in these areas should be reported to Telecommunications at 615-460-6214.

Non-Emergency Maintenance Requests
Maintenance requests can only be made through the web at https://my.belmont.edu/group/mycampus/fms. Follow the “iService Desk” link. Once a work request has been submitted, you will receive a confirmation e-mail from FMS containing a Work Order Number.

Requests cannot be made by calling or emailing.

Office hours for FMS are 7 a.m.–4 p.m., Monday-Friday.

Emergency Maintenance Requests
For maintenance problems that require immediate attention during non-office hours, contact the Office of Campus Security at 615-460-6617, the Resident Assistant on duty or your Residence Director.

Examples of emergencies:
• Water flowing from a pipe
• Toilet flooding
• Lack of heating
• Lack of air conditioning
• An electrical outage

Many families often ask how students can register to vote while attending Belmont.

**For Tennessee Residents**
If you are a resident of Davidson County, TN and are attending Belmont, your proper address of registration is your Davidson County residence, not the address of the school. If you are attending Belmont but your residence is in another county, you would register to vote in the county where you have an established residence, such as your parents’ home. Once registered to vote, you may apply as an absentee voter if you are unable to make it to the county in which you are registered for either early voting or on election day.

You may find out more details at the following sites:

Tennessee Voter Registration Form: http://www.tn.gov/sos/election/forms/ss-3010.pdf

Davidson County Election Commission: http://www.nashville.gov/vote

**For Non-Tennessee Residents**
Each state will have different procedures for registering to vote and applying as an absentee voter. Please visit your state or county’s election commission website for details.

State election websites can be accessed here: http://www.eac.gov/voter_resources/contact_your_state_aspx
