**Staff**
Belmont Commons residents are supported by 5 Resident Assistants who live in apartments throughout the complex. Each RA has gone through extensive training in order to be a resource to our residents. RA’s create social and educational opportunities in the complex through programming and community building efforts.

The RA’s are supervised by a full-time, live-in professional staff member, known as the Residence Director. The RD is trained in crisis management, acts as a resource to the residents of the complex, and oversees the administrative aspects of the complex such as maintenance and discipline. The RD maintains regular hours in the Clubhouse.

The front desk in the clubhouse is open from 10am – 10pm each day to assist with any resident needs. The clubhouse is also available for band rehearsals or other functions at the discretion of the RD.
