**Staff**

Hillside residents are supported by 12 Resident Assistants who live in apartments throughout the complex. Each RA has gone through extensive training in order to be a resource to our residents. RA’s create social and educational opportunities in the complex through programming and community building efforts.

The RA’s are supervised by two full-time, live-in professional staff members, known as Residence Directors. The RD’s are trained in crisis management, act as a resource to the residents of the complex, and oversee the administrative aspects of the complex such as maintenance and discipline. The RD’s maintain regular hours in their offices in the Clubhouse. The RD’s also live in 2 apartments within the complex.

The front desk in the clubhouse is open from 10am – 10pm each day to assist with any resident needs. The clubhouse is also available to reserve for band rehearsals or other functions at the discretion of the RD.
