This is a poem about Junie B.
She is pretty different from me.
Junie B. is a silly girl,
But sometimes her homework makes her head swirl!
Her two best friends are Lucille and “that Grace”,
And her enemy is Meanie Jim who she calls a “stinky face”!
When there is a problem and she needs someone to blame,
Raggedy Larry is his name.
Junie B. Jones is a troublemaker, not a very good baker.
And an excellent homework faker!
She copies May’s work every day.
Junie B. Jones is Captain Field Day.
If you are looking for a very good book,
Maybe you should check out Junie B. and take a look!
So never fear!
I think Junie B. Jones will always be here!
