residence LIFE
Living on campus is a developmental learning experience guided by a team of Residence Directors who work with students. Learn what it means to live in First Year housing and how special programming promotes a strong sense of community. Topics will also include items to bring for residential living and important policies.

notes

> Residence Life is about students experiencing personal growth while living in a community that supports that growth. 
> Renter’s or personal property insurance is strongly encouraged. 
> The Housing Occupancy Agreement and Meal Plan are for the entire academic year. Freshmen Meal Plans are defaulted to 14 meals per week if a plan is not selected. 
> Make move-in easy: purchase through The Residence Life Marketplace and have items delivered to your room. 
> MOVE-IN DAYS: AUGUST 21 & 22
  Watch your home mail for your move-in packet.
