

All Events will be accessed through WELL-Core Portal

Virtual Spring Semester 2021

Sponsored by the Offices of Career & Professional Development, Massey College of Business Career Development Center and Alumni Relations

Live Events

- February 10** **Assessing Company Culture During the Interview**, 10:00 am, Zoom
Competency: Career Management; Credit: Cultural Well-Being
This event will help students better understand company culture and “fit” and how to gain insight into an organization prior to being hired.
- February 15** **Homecoming Non-Profit Fair**, 12:00pm, Zoom
Cosponsored by Alumni Relations, Office of Service Learning, and BOLD
Competency: Communication; Credit: Cultural Well-Being
The purpose of the virtual fair is to introduce the great work Belmont Alumni are doing in the non-profit and social entrepreneurship realm and give students the opportunity to meet alumni, learn about service and potential job opportunities engaging and transforming the world.
- February 17** **Alumni Panel: Pursuing a Creative Career**, 12:00 p.m., Zoom
Competencies: Career Management, Professionalism/Work Ethic, Credit: Occupational Well-Being
Learn from a panel of creative alumni as they “tell all” about the realities of pursuing their passions. Gain tips for developing your brand, marketing yourself (and your work), customer/fan acquisition and resources for self-employed creatives.
- March 3** **Negotiating Salary and Perks**, 12:00 p.m., Zoom
Competency: Career Management, Credit: Financial Well-Being
Learn from a panel of seasoned HR and recruiting executives as they share tips and strategies for navigating this potentially awkward conversation. Know your worth and make your job offer count!
- March 17** **How to Land Your Dream Job**, 12:00 p.m., Zoom
Competency: Career Management, Credit: Occupational Well-Being
Job searching during a pandemic can be stressful – gain tips from alumni and employer panelists to enhance your career readiness, polish your resume, prepare for virtual interviews and recruiting events and make connections in your field.
