Honorary Degrees

Honorary degrees (*honoris causa*) are given in recognition of merited humanitarian service and investment, as well as scholarly and creative attainments. Harvard University awarded the first honorary degree in 1692, and American institutions of higher education have selectively presented them since.

Belmont University has honored meritorius individuals through honorary degrees and, from 1978 to 1999, through Collegiatus. Collegiatus recipients are individuals whose support of Christian higher education has been of special relevance and significant continuity in the life of the University. Once the University began offering doctoral degrees as a part of its graduate educational program, the Board of Trustees approved the selective awarding of honorary degrees to replace recognition into Collegiatus. Previous inductees into Collegiatus are now recognized as honorary doctorate recipients. Honorary degree recipients of the University are:

Academic Regalia

The academic regalia worn at Belmont University commencement and other formal academic ceremonies began as the dress of scholars and students in the universities of the Middle Ages. One of the most distinctive features of this dress is the hood, which signifies both the degree awarded and the institution. The lining of the hood displays the color of the institution that granted the degree, such as blue and red for Belmont University, while the border indicates the discipline. A partial list of colors of the borders with their respective disciplines is as follows:

Dark Blue.....	Philosophy
White.....	Humanities/Arts
Brown	Fine Arts
Golden Yellow	Science
Pink.....	Music
Light Brown	Business
Light Blue.....	Education
Citron Yellow.....	Social Work
Apricot	Nursing
Olive Green	Pharmacy
Teal	Physical Therapy
Purple.....	Law
Slate Blue	Occupational Therapy
Green	Medicine

The Basin and Cloth — A large wooden basin and cloth, handcrafted by Watkins College of Art faculty member Doug Regen, symbolizes the gesture of Jesus washing his disciples' feet and represents Belmont's commitment to service and humility. The various layers of wood species also reflect the diversity of the Belmont community. The Basin and Cloth are carried by the Virginia M. Chaney Distinguished Professor, an honor awarded each year to a faculty member who is selected as an outstanding teacher. The 2024-2025 recipient is Dr. Kara Smith, Professor of Economics.

Presidential Banner — The Presidential Banner was commissioned for the inauguration of Belmont's fourth President, Dr. Robert C. Fisher. This banner is carried in front of university processions by the faculty member who has received the Presidential Faculty Achievement Award recognizing outstanding contributions to student life outside the classroom. The 2024-2025 recipient is Dr. Marieta Velikova, Professor of Economics.
