Office: 615-460-5710

1900 Belmont Blvd.  
Nashville, TN 37212

---

## CERTIFICATION & EDUCATION

---

- Board Certified Medical Affairs Specialist** May 2022  
❖ Accreditation Council for Medical Affairs (ACMA)
- Doctor of Pharmacy** May 2011  
❖ University of the Sciences in Philadelphia (USP) Philadelphia College of Pharmacy

---

## POST-GRADUATE TRAINING

---

- Regulatory Pharmaceutical Fellowship – Drug Information Track** July 2011 – June 2013  
❖ Purdue University  
➤ College of Pharmacy – Department of Pharmacy Practice  
➤ IU Health Methodist Hospital – Drug Information Center  
➤ Wishard Hospital – Drug Information Center  
❖ Eli Lilly and Company  
➤ Global Information Disclosure  
➤ Global Medical Information  
❖ United States Food and Drug Administration  
➤ Center for Drug Evaluation and Research – Division of Drug Information
- Indiana Pharmacy Resident Teaching Certificate Program** May 2012  
❖ Purdue University College of Pharmacy  
❖ Butler University College of Pharmacy and Health Sciences

---

## LEADERSHIP ACTIVITIES

---

- Director, Christy Houston Foundation Drug Information Center** 2014 – Present
- Associate Director, Christy Houston Foundation Drug Information Center** 2013 – 2014
- Fellowship Developer/Director – Academia Component**
- ❖ Clinical Management Fellowship in Drug Information 2018 – Present  
➤ Cosponsored by HealthTrust and Belmont University College of Pharmacy
- ❖ Clinical Pharmacist Fellowship in Drug Information 2015 – Present  
➤ Cosponsored by Aegis Sciences Corporation and Belmont University College of Pharmacy
- Supervisor**
- ❖ HealthTrust Senior Manager of Clinical Information, Pharmacy Services 2020 – Present  
❖ HealthTrust Clinical Information Director, Pharmacy Services 2017 – Present
- Committee Chair Appointments: Belmont University College of Pharmacy**
- ❖ Curriculum Committee 2020 – 2022  
❖ Faculty Affairs Committee 2018 – 2019  
❖ Instructional Resources and Technology Committee 2015 – 2017

## PROFESSIONAL EXPERIENCE

---

### Director, Christy Houston Foundation Drug Information Center Belmont University College of Pharmacy

June 2014 –  
Present

- ❖ Establish collaborative partnerships with health care industry leaders to provide drug information services
  - Initiate and help negotiate contracts and funding for two drug information focused fellowship programs and serve as the director of the Belmont University portion of these programs
    - Clinical Pharmacist Fellowship in Drug Information Cosponsored by Aegis Sciences Corporation
    - Clinical Management Fellowship in Drug Information Cosponsored by HealthTrust Purchasing Group
  - Developed contracts and evaluation templates, and recruitment materials that have been utilized campus-wide in the Belmont University Fellows Program
  - Manage, supervise, and mentor the HealthTrust Clinical Information Director and Senior Manager, Pharmacy Services positions
    - Negotiated contracts and obtained funding for the new clinical pharmacist positions within the drug information center valued at approximately \$300,000 per year
- ❖ Manage the \$150,000 resource budget for the drug information center
  - Regulate and update text and electronic resources within the center
    - Oversee development, administration and continuous improvement of the Pharmacy Library Guide webpages which provide easy access to these resources by students, faculty, and preceptors
  - Review and process subscription contracts with resource vendors
  - Assess new resources for versatility and budgetary justification
- ❖ Increase exposure and establish a reputation of excellence for the drug information center through accurate, detailed, and dependable responses to drug information questions
  - Compose, edit, and respond to drug information inquiries
  - Coach and mentor pharmacy students and fellows to high standards in inquiry answers
  - Increased question volume from an average of 22 questions per year to an average of 200 questions per year
  - Established additional rotation sites for Belmont College of Pharmacy students within the center
  - Developed, implemented, and maintain an electronic filing system for drug information inquiries and related memos using securely shared electronic resources
  - Developed partnerships with LIU Pharmacy (Arnold & Marie Schwartz College of Pharmacy and Health Sciences) and Southern Illinois University Edwardsville's Express Scripts Drug Information & Wellness Center to share drug information questions during the COVID-19 pandemic

### Associate Professor of Pharmaceutical, Social and Administrative Sciences Belmont University College of Pharmacy

August 2019 –  
Present

- ❖ Develop, prepare, and present lecture and lab components of *PHM 6315: Biomedical Literature for Pharmacy* and *PHM 6160: Intro to Drug Information and Informatics*
  - Incorporate new teaching technologies into the classroom (i.e. Blackboard, eMedley, Teammates, LibWizard)
  - Modify and create student assignments, assignment keys, and grading
  - Provide one-on-one assistance to students through office hours, phone calls, and email responses
  - Converted to online teaching methods during the COVID-19 pandemic

**Assistant Professor of Pharmaceutical, Social and Administrative Sciences  
Belmont University College of Pharmacy**

August 2013 –  
July 2019

- ❖ Developed, prepared, and presented lecture and lab components of *PHM 6315: Biomedical Literature for Pharmacy* and *PHM 6160: Intro to Drug Information and Informatics*
  - Developed and implemented the flipped classroom model, team-based learning (TBL), into these courses
  - Incorporated new teaching technologies into the classroom (i.e. Blackboard, TopHat, TurningPoint, eMedley, Teammates, LibWizard)

**Associate Director, Christy Houston Foundation Drug Information Center  
Belmont University College of Pharmacy**

August 2013 –  
May 2014

- ❖ Composed and responded to drug information inquiries via telephone and email
- ❖ Developed, implemented, and maintained an electronic filing system for drug information inquiries and related memos using securely shared electronic resources
- ❖ Established, composed, and edited *Collaboration Connection*, a monthly update of latest FDA drug information
- ❖ Served as co-editor of *Inquiry*, the Christy Houston Foundation Drug Information Center newsletter
- ❖ Created and maintained the online Belmont College of Pharmacy Citation Guide based on the *AMA Manual of Style*

**Regulatory Pharmaceutical Fellowship – Drug Information Track**

❖ **Government**

**Food and Drug Administration – Division of Drug Information**

January 2013 –  
June 2013

- Responded to MedWatch and drug information related inquiries from consumers, healthcare professionals, and pharmaceutical industry via telephone and email
- Prepared responses for “hot topic” letter writing campaigns
- Communicated to healthcare professionals and consumers through Twitter postings, Listserv emails, Drug Information Rounds Videos, and Drug Safety Podcasts
- Facilitated the development of the World Health Organization Public Assessment Report (PAR) for all United States FDA tentatively approved and approved President’s Emergency Plan for AIDS Relief (PEPFAR) products

❖ **Industry**

**Eli Lilly and Company – Global Information Disclosure (GID)**

January 2012 –  
December 2012

- Provided weekly updates of innovative technologies and current events including a “Technology Highlight” segment
- Researched and explored various ground-breaking technologies and social media tools
- Assisted in the development and implementation of Lilly Wikipedia activities

**Eli Lilly and Company – Global Medical Information (GMI)**

January 2012 –  
December 2012

- Prepared weekly Current Awareness literature search reports for latest publications on Alzheimer’s disease state and competitor articles
- Created and updated Cymbalta® (duloxetine) & Amyvid™ (florbetapir) medical letters, Cymbalta® custom written responses, and answered United States & global Cymbalta® escalations
- Conducted peer and data integrity reviews for Cymbalta® (duloxetine) medical letters
- Developed a research strategy for pinpointing multiregional clinical trials and prepared Cymbalta® literature searches

❖ **Academia**

**Purdue University**

August 2011 –  
December 2012

- Served as an Affiliate Clinical Assistant Professor for the *CLPH 86700: Principles of Drug Information and Literature Evaluation* 2-credit required course
  - Prepared and presented didactic lectures

- Managed and operated in-class, real-time audience response system: TopHatMonocle
- Managed the Blackboard Learning tool for the class
- Created student assignments, developed quiz questions, and assisted with grading: Drug Information Question, Drug Monograph, and Journal Article Critiques
- Created final examination questions and assisted with exam revisions
- Provided one-on-one assistance to students in office hours, phone calls, and email responses
- Mentored a third-year pharmacy student during the completion of a drug information independent study course
- Served as a drug information specialist within two hospital-based drug information centers: Wishard Hospital and IU Health Methodist Hospital
  - Prepared class review of the 5-HT<sub>1</sub> agonists for presentation to P&T committee
  - Responded to drug information inquiries daily utilizing hospital resources
  - Prepared and updated drug monograph and executive summary for presentation to P&T committee
  - Researched and prepared 10 Adverse Drug Reaction Reports
  - Prepared article for Methodist Hospital internal pharmacy newsletter, *The Monthly Dose*: “FDA Providing Education through WebMD and Medscape”

---

## ADDITIONAL PHARMACEUTICAL INDUSTRY EXPERIENCE

### Pharmacy Solutions Intern, Summer Talent Identification Program (STIP) GlaxoSmithKline

May 2009 –  
July 2009

- ❖ Investigated chain pharmacies use of auto refill programs and collected demographic information of pharmacy retailers associated with GlaxoSmithKline
- ❖ Discovered the roles of adherence networks within pharma and major pharmacy retailers in addition to developing the top five medication questions a patient should ask
- ❖ Created and distributed an informational brochure on E-prescribing to the brand teams

---

## TEACHING EXPERIENCE: DIDACTIC TEACHING

### Belmont University College of Pharmacy

- ❖ **Course:** *PHM 6315: Biomedical Literature for Pharmacy*  
**Role:** 2014 to Present – Course Coordinator; 2013 – Instructor  
**Credit Hours:** 3  
**Demographics:**

- 2019-Present
  - 100 third professional year pharmacy students; 110-minute lecture once a week
  - Three lab sections of 33 third professional year pharmacy students
- 2018
  - 100 third professional year pharmacy students; 50-minute lectures twice a week
  - Three lab sections of 33 third professional year pharmacy students
- 2013-2017
  - 75 third professional year pharmacy students; 50-minute lectures twice a week
  - Three lab sections of 25 third professional year pharmacy students

- ❖ **Course:** *PHM 6160: Introduction to Drug Information and Informatics*  
**Role:** 2019 to 2020 – Instructor; 2013 to 2018, 2021 to Present – Course Coordinator  
**Credit Hours:** 2  
**Demographics:**

- 2021-Present
  - 70 first professional year pharmacy students; 50-minute lecture once a week

- Three lab sections of 23 first professional year pharmacy students
  - 2017-2020
    - 100 first professional year pharmacy students; 50-minute lecture once a week
    - Four lab sections of 25 first professional year pharmacy students
  - 2016
    - 75 first professional year pharmacy students; 50-minute lecture once a week
    - Three lab sections of 25 first professional year pharmacy students
  - 2013-2015
    - Three sections of 25 first professional year pharmacy students; 120 minutes per class

❖ **Course:** *PHM 6130 Pharmaceutical Care I*

**Role:** Guest Lecturer

**Demographics:**

- 2021: Two sections of 30 first professional year pharmacy students; 75 minutes per class
- 2020: Recorded lecture for first professional year pharmacy students; 60-minute video
- 2019: One section of 100 first professional year pharmacy students; 75-minute class
- 2016-2018: Two sections of 50 first professional year pharmacy students; 75 minutes per class
- 2014-2015: Two sections of 37 first professional year pharmacy students; 60 minutes per class
- 2013: Three sections of 25 first professional year pharmacy students; 60 minutes per class

**Manchester University College of Pharmacy**

1. “Role of drug information pharmacists/drug information centers in the pharmaceutical industry”. *PHRM 322 Drug Information*. Two sections of 30 first professional year pharmacy students; 100 minutes per class: September 11, 2012.

**Purdue University College of Pharmacy**

1. “Appropriate Use of the Internet”. *CLPH 86700: Principles of Drug Information and Literature Evaluation*. 160 second professional year pharmacy students; 50 minutes: August 30, 2011, August 30, 2012.
2. “Drug Information Resources and Search Strategies”. *CLPH 86700: Principles of Drug Information and Literature Evaluation*. 160 second professional year pharmacy students; 50 minutes: August 30, 2011, August 30, 2012.
3. “Clinical Practice Guidelines (CPG)”. *CLPH 86700: Principles of Drug Information and Literature Evaluation*. 160 second professional year pharmacy students; 50 minutes: December 8, 2011.
4. “Background Information for Article #4: Efficacy and safety of the betamethasone valerate 0.1% plaster in mild to moderate chronic plaque psoriasis”. *CLPH 86700: Principles of Drug Information and Literature Evaluation*. 160 second professional year pharmacy students; 100 minutes: December 1, 2011.
5. “Example Journal Club Presentation: Effects of low-dose, controlled-release, phentermine plus topiramate combination on weight and associated comorbidities in overweight and obese adults (CONQUER)”. *CLPH 86700: Principles of Drug Information and Literature Evaluation*. 160 second professional year pharmacy students; 100 minutes: October 27, 2011.
6. “Pharmacy Careers Question and Answer Session “. *CLPH 49000-4: Introduction to Clinical Research*. 16 second and third professional year pharmacy students; 80 minutes: October 25, 2011.
7. “Pharmaceutical Care in Today’s Practice”– Pharmaceutical Industry Question and Answer Session with Ron Rosich, Advisor-Lilly Market Research and Director. *PHPR 100: Pharmacy Orientation 1*. 300 pre-pharmacy students; 50 minutes: September 28, 2011.

---

**TEACHING EXPERIENCE: CLERKSHIP PRECEPTOR**

**Christy Houston Foundation Drug Information Center**

- ❖ Serve as a primary preceptor for Belmont University College of Pharmacy students during four-week rotations

January 2014 – Present

### **FDA: Division of Drug Information**

- ❖ Served as primary preceptor for one Purdue University College of Pharmacy student during a four-week rotation March 2013

### **Eli Lilly and Company: Global Information Disclosure Department**

- ❖ Served as primary preceptor for one University of Kentucky College of Pharmacy student during a six-week rotation July 2012

### **Wishard Hospital: Drug Information**

- ❖ Reviewed assignments and served as an assistant preceptor for one Purdue University College of Pharmacy student for three weeks of a four-week rotation November 2012

### **GlaxoSmithKline: Pharmacy Solutions Department**

- ❖ Developed projects and served as an assistant preceptor to one University of North Carolina College of Pharmacy student during a five-week rotation July 2009

## **PROFESSIONAL DEVELOPMENT**

---

### **CITI-Collaborative Institutional Training Initiative**

- ❖ Social-Behavioral-Education Faculty and Staff Researchers Completed: February 2019
- ❖ Basic Human Subjects Research

### **Protecting Human Research Participants**

- ❖ National Institutes of Health August 2016

### **Research Project Development Program**

- ❖ Purdue University College of Pharmacy July 2012 – December 2012

## **GRANTS AND CONTRACTS**

---

1. HealthTrust Purchasing Group – HealthTrust Senior Manager of Clinical Information, Pharmacy Services, June 2020-Present.
  - ❖ Negotiated contracts and obtained funding for the new clinical pharmacist position within the drug information center valued at approximately \$170,000 per year.
2. HealthTrust Purchasing Group – HealthTrust Clinical Information Director, Pharmacy Services, September 2017-Present.
  - ❖ Negotiated contracts and obtained funding for the new clinical pharmacist position within the drug information center valued at approximately \$180,000 per year.
3. Vanderbilt Evidence-Based Practice Center – Consultant, February 2014- 2015.
  - ❖ Served as an author and contributor to two Agency for Healthcare Research and Quality (AHRQ) guidelines.
4. Gloria Niemeyer Francke Pharmacy Practice Advancement Grant Program - \$2500, February 2012.  
Ness GL, Sheehan AH, Snyder ME, Jordan J, Cunningham JE, Gettig JP. Student Pharmacists' Perspectives on E-Professionalism.

3. Beckett RD, **Ness GL**. Assessing Drug Promotions. In: Malone PM, Kier KL, Stanovich JE eds. *Drug Information a Guide for Pharmacists*. 5<sup>th</sup> ed. McGraw-Hill; 2014:1011-1044.

## GLOBAL AUDIENCE PRESENTATIONS

---

1. **Ness GL.** Pharmacists' Use of Electronic Handheld Drug Information Applications. Presented at: Medical Communications All Community Call. Drug Information Association (DIA). January 29, 2014; Webinar.
2. **Ness GL.** Electronic Drug Information for the GADIS Pharmacist. Global Alliance of Drug Information Specialists (GADIS). Presented at: United States Food and Drug Administration (FDA); November 25, 2013; Webinar.

## PODIUM PRESENTATIONS AT PROFESSIONAL MEETINGS

---

1. Grossman S, Nathan JP, **Ness GL.** Developing Post-Graduate Fellowship Programs through Academic Drug Information Centers. Presented at: American Society of Health-System Pharmacy (ASHP) Midyear Clinical Meeting: Drug Information Research and Practice Forum; December 2021; Virtual.
2. **Ness GL,** Sheehan AH. Partnering with Pharmaceutical Industry to Develop Post-Graduate Fellowship Programs in Drug Information. Presented for: American Association of College of Pharmacy. February 3, 2017; Webinar.
3. **Ness GL.** Use of Electronic Handheld Drug Information Applications in Pharmacy Practice. Presented at: American Society of Health-System Pharmacy (ASHP) Midyear Clinical Meeting: Drug Information Research and Practice Forum; December 10, 2013; Orlando, FL.
4. **Ness GL,** Sheehan AH. Use of Social Media and Perspectives on E-Professionalism. Presented at: American Society of Health-System Pharmacy (ASHP) Midyear Clinical Meeting: Drug Information Research and Practice Forum; December 4, 2012; Las Vegas, NV.
5. **Ness GL.** Student Pharmacists' Perspectives on E-Professionalism. Presented at: Great Lakes Pharmacy Residency Conference; April 27, 2012; West Lafayette, IN.

## CONTINUING EDUCATION PRESENTATIONS

---

1. **Ness GL.** Stop Googling! How Preceptor Resources Can Help Answer Your Questions. Presented at: Belmont University Continuing Education Event; June 17, 2020; Webinar.
2. **Ness GL.** Stop Googling! How Preceptor Resources Can Help Answer Your Questions. Presented at: 5<sup>th</sup> Annual Preceptor Dinner; April 17, 2018; Nashville, TN.
3. **Ness GL,** Claussen K. 2016 New Drug Approvals. Presented at: Southern Pharmacy Cooperative Annual Membership Meeting; May 6, 2017; Nashville, TN.
4. **Ness GL,** Claussen K. 2016 New Drug Approvals. Presented at: Belmont University Homecoming Continuing Education Conference; February 25, 2017; Nashville, TN.
5. **Ness GL,** Claussen K. 2015 New Drug Approvals. Presented at: Belmont University Homecoming Continuing Education Conference; February 20, 2016; Nashville, TN.
6. **Ness GL.** 2014 New Drug Approvals. Presented at: Belmont University Homecoming Continuing Education Conference; February 28, 2015; Nashville, TN.

## POSTER PRESENTATIONS

---

1. Sherman M, **Ness GL,** Wang F, Miller R, Everett S. A review of drug information education in U.S. pharmacy schools. Poster presented at: American Society of Health-System Pharmacists Midyear Clinical Meeting; December 2021; Virtual.

2. Mondloch AT, Johnson C, **Ness GL**. Dual degree programs' influence on pharmacy school selection. Poster presented at: American Society of Health-System Pharmacists Midyear Clinical Meeting; December 2021; Virtual.
3. Deanes C, **Ness GL**, Reed J. Medications associated with cognitive impairment: an update from a 2010 meta-analysis. Poster presented at: American Society of Health-System Pharmacists Midyear Clinical Meeting; December 2020; Virtual.
4. Maneno J, **Ness GL**. Alternatives to protamine for reversal of unfractionated heparin (UFH) during a shortage. Poster presented at: American Society of Health-System Pharmacists Midyear Clinical Meeting; December 2019; Las Vegas, NV.
5. Douglas A, **Ness GL**. Podcasts for drug information: a survey of pharmacy-related podcasts. Poster presented at: American Society of Health-System Pharmacists Midyear Clinical Meeting; December 2019; Las Vegas, NV.
6. Jetha A, Douglas A, **Ness GL**. Blood and urine level data of medications that appear on a toxicology report. Poster presented at: American Society of Health-System Pharmacists Midyear Clinical Meeting; December 2019; Las Vegas, NV.
7. Manley SY, **Ness GL**. Implementation, Utilization, and Pharmacy Student Views on Team-Based and Active Learning in an Introduction to Drug Information Course: A Comparison of Two Years. Poster presented at: American Society of Health-System Pharmacists Midyear Clinical Meeting; December 2018; Anaheim, CA.
8. Singleton E, Le N, **Ness GL**. Caffeine for the Reversal of Dipyridamole and Regadenoson in Pharmacologic Stress Testing. Poster presented at: American Society of Health-System Pharmacists Midyear Clinical Meeting; December 2018; Anaheim, CA.

11. **Ness GL**, Beckett RD. Instructing Student Pharmacists to Analyze Direct to Consumer Advertisements. Poster presented at: American Association of Colleges of Pharmacy Annual Meeting; July 2015; National Harbor, MD.
12. Ficzer CH, Hagan A, Hill K, **Ness GL**, Blash A. Evaluating Reading Levels of First, Second and Third Year Pharmacy Students Compared to the Reading Level of Primary Literature. Poster presented at: American Association of Colleges of Pharmacy Annual Meeting; July 2015; National Harbor, MD.
13. TenBarge AM, **Ness GL**, Parikh BT, Sheehan AH, Riggins JL, Davison LE. Pharmacists' Use of Drug Information Digital Channels Offered by Three Different Practice Settings. Poster presented at: Drug Information Association: Medical and Scientific Communications 2014 Annual Forum; March 2014; Orlando, FL.
14. **Ness GL**, Riggins JL, Sheehan AH. Pharmacists' Use of Electronic Handheld Drug Information Applications. Poster presented at: Drug Information Association: Medical and Scientific Communications 2013 Annual Forum; March 2013; Chandler, AZ.
15. **Ness GL**, Sheehan AH, Snyder ME, Jordan J, Cunningham JE, Gettig JP. Student Pharmacists' Perspectives on E-Professionalism. Poster presented at: American Association of Colleges of Pharmacy Annual Meeting; July 2012; Kissimmee, FL.

## EDITORIAL

---

1. *Collaboration Connection* (monthly)- update of the latest drug information from FDA  
**Role: Founding Editor**

September 2013 – November 2015

2. *Inquiry* (quarterly) – Newsletter of the Christy Houston Foundation Drug Information Center  
**Role: Editor**

Fall 2013 – Fall 2015  
Summer 2019

## ADDITIONAL PRESENTATIONS

---

1. “Peer Evaluations Made Easy with Teammates”. Presented for Inaugural Belmont University BYTE Showcase. Nashville, TN; April 11, 2018.
2. “Instructing Student Pharmacists to Analyze Direct to Consumer Advertisements (DTCA)”. Presented at: Belmont University Teaching Center Workshop; Nashville, TN; May 11, 2016.
3. “Copyright Law for Academia”. Presented for Belmont University College of Pharmacy Teaching Certificate Program. Nashville, TN; November 18, 2015.
4. “Monthly Technology Highlight”. Presented to Lilly Global Information Disclosure Team. Indianapolis, IN; August 2012, September 2012, October 2012, November 2012, and December 2012.
5. “Wikipedia: Lilly Involvement”. Presented to Lilly Global Information Disclosure and Lilly Global Customer Engagement department heads. Indianapolis, IN; October 2012.
6. “Cerebral PET with florbetapir compared with neuropathology at autopsy for detection of neuritic amyloid- $\beta$  plaques: a prospective cohort study”. Presented to Lilly neuroscience medical information specialists, medical science liaisons, and study authors. Indianapolis, IN; August 2012.
7. “Alzheimer’s Disease Training”. Presented to The Lilly Answer Center (TLAC). Indianapolis, IN; May 2012.
8. “Alzheimer’s Current Awareness Training”. Presented to Primo (Lilly vendor). Indianapolis, IN; April 2012.
9. “Alzheimer’s Disease and Amyvid™ (florbetapir) Phase III Clinical Trial Training”. Presented to The Lilly Answer Center (TLAC). Indianapolis, IN; February 2012 and March 2012.
10. “Wikipedia Educational session”. Presented to Lilly Global Information Disclosure Team. Indianapolis, IN; February 2012.
11. “E-Professionalism for the Healthcare Professional”. Presented to 160 first professional year Purdue University pharmacy students. West Lafayette, IN; August 2011.
12. “Nulojix™ (belatacept) Monograph”. Presented to IU Health Drug Information Center staff, preceptor, rotation students, and PGY1 pharmacy residents. Indianapolis, IN; July 2011.
13. “E-Prescribing at the Cutting Edge of Healthcare”. Presented to GlaxoSmithKline Pharmacy Solutions Department. Philadelphia, PA; July 2009.
14. “Lamictal® ODT™ Targeted Launch”. Presented to GlaxoSmithKline Channel Development and Sales Department. Research Triangle Park (RTP), NC; May 2009.
