

Moody Beach Maine

My feet in the sand
My feet in the cold water
The nice sunny days
All up in the shade
Is a place I call
Moody Beach, Maine.

Maine makes me feels safe and calm
The beach makes me feel like I could walk
On, and on, and on, and on,
Oh the things I would do to see
The end of that beach.

I love Maine and I hope Maine
Loves me
It is a safe and calm place and has
Nice sand too
As I like to call it
Moody Beach, Maine
It may be good for you too.
