FLYWIRE

Belmont has recently partnered with Flywire, an international and domestic payment provider. Flywire provides a secure global payment network that simplifies paying your fees from countries around the world. Payment options can include bank transfers, credit cards, e-wallets, etc, typically in your home currency for most countries.

Visit [Belmont.Flywire.com](https://www.belmont.edu/flywire.com) for more information and to coordinate your payment.

PAYMENT TERMS

Financial arrangements for student charges must be completed by the payment deadline. Acceptable payment options include the University monthly payment plan and/or financial aid, provided all necessary requirements are fulfilled by the student/parent. Parent PLUS loans require approval and submission before the payment due date. Outside scholarships cannot be deducted from the total amount due until payment is received. A sufficient monthly payment plan budget is required to cover any remaining balance for the semester. Failure to settle financial obligations will result in registration holds for subsequent semesters and may lead to withholding of diplomas.

MONTHLY STATEMENT INFORMATION

Registration statements are emailed three weeks before each term's payment deadline. No paper statements are issued; all statements are posted on myBelmont accounts. **Students registering after priority registration will not receive electronic statements.** Generate a billing statement via your payment portal. Designate Authorized Payers to view and pay online. Access your account balance and add Authorized Users at my.belmont.edu > **View Account/Make Payment.**

529 SAVINGS PLAN

For students using 529 savings plans, we advise requesting funds upon receiving the billing statement. Include the student's name and BUID on the check for timely processing. Mail delivery takes time, so ensure funds arrive before the payment due date.

UNIVERSITY MONTHLY PAYMENT PLAN

Belmont offers semester-based interest-free monthly payment options. These plans are available for a low-cost enrollment fee of \$42.00 per semester. For the Fall semester, you may enroll in a monthly payment plan beginning on July 1. For the Spring semester, you may enroll in a monthly plan beginning on December 1. To enroll, log into your MyBelmont account and click the green **Tuition Smarter** icon.

Please be advised that it is the student's responsibility to ensure the amount budgeted will pay their Belmont student account in full. The November payment must pay the Fall semester in full and the April payment must pay the Spring semester in full. A previous semester's balance may not be rolled into a future semester.

FREQUENTLY ASKED QUESTIONS

How do I set up a plan?

You may enroll online by logging into your MyBelmont account and clicking on the “**Tuition Smarter**” icon. Once your profile is set up, you can enroll in a payment plan, make a payment, or set up an authorized payer who can create a plan for your balance. If someone is paying on your behalf, you **MUST** set them up as an **Authorized Payer** first. After your costs are finalized, you can then make adjustments to your budget. For more information about our payment plans, please visit <https://mycollegepaymentplan.com/belmont/> or call 800.609.8056.

How do I adjust my monthly payment plan budget if my costs are different than what I budgeted?

If you need to adjust your account, you may do so online by simply logging in to your Nelnet account and selecting the Adjust Budget option.

What are my payment options for paying my monthly payments?

Paying is simple. The payment will be automatically deducted each month from your preferred payment method. Electronic funds transfer (e-Check) from a checking or savings account is an option and free of charge. Debit or Credit Card (Visa, MasterCard, Discover and American Express) is accepted; however, this transaction will incur a non-refundable, convenience fee of 2.85%.

Why do I have a \$30 late fee?

A late fee may be added to your monthly payment plan account when:

- Your payment was not received by the first of the month
- Your payment was less than the scheduled monthly amount due
- Your previous balance is outstanding

A returned payment on your payment plan can result in plan termination. This would require you to set up a brand new payment plan, if still available. Please remember that a Monthly Payment Plan is not a loan and there is no grace period associated with your payment due date. The University reserves the right to prohibit the use of a monthly payment plan for any reason related to returned payment(s).

Financial Aid

The purpose of financial aid at Belmont University is to provide assistance to students who need help in meeting the cost of education. Belmont believes the primary responsibility for providing education expenses rests with the student and parents. Financial aid should assist in providing the difference between the Student Aid Index (SAI) and the cost of education or the student's financial need. All resources other than family contributions are considered financial aid.

Hopefully, you have already filed your 2026–27 FAFSA. If not, file as soon as possible. Our Financial Aid application priority date for the 2026–27 academic year is February 15, 2026. In order to meet this priority date, the processor must receive your 2026–27 FAFSA on or before February 15, 2026. Students in the priority group are the first for whom we package and offer Financial Aid.

After your FAFSA has been processed, you will receive a document called a Student Aid Summary (SAS) from the United States Department of Education. Review the information on your SAS carefully and follow any instructions that require the submission of additional documentation. Contact one of our counselors in the Office of Student Financial Services if you have additional questions. You may reach a counselor at 615.460.6403 or by emailing finaid@belmont.edu.

Processed financial aid will apply directly to your student account. Financial aid offers are based on full-time enrollment. Any reduction in the total number of registered hours may result in an adjustment to the financial aid offer. Institutional scholarships are based on full-time enrollment (a minimum of 12 hours per semester). Full-time enrollment is 12 hours for undergraduate students and six hours for graduate students. Direct Loans will be prorated for any enrollment less than full-time. Students must also be making Satisfactory Academic Progress (SAP) in order to receive financial aid. Please see page 9 for detailed information on SAP.

REMINDER

- The amount offered in grants, loans and work-study funds may vary from year to year. Each year, the student must reapply for assistance by filing the Free Application for Federal Student Aid (FAFSA).
- All Federal programs are subject each year to the action of the Congress of the United States of America.
- All Title IV financial aid is awarded to students without regard to race, sex or age. The majority of aid is provided on the basis of financial need.
- Financial assistance granted is to be used only for legitimate education purposes.
- If you are a financial aid recipient, please visit belmont.edu/sfs and view additional information about Student Loan options, the application process and Financial Aid Options. If you are a first-time financial aid recipient, you may also refer to your financial aid offer for additional information.
- **Institutional scholarships are funded by Belmont University. Students must be enrolled full-time (undergraduates: 12 credit hours and graduates: 6 graduate credit hours) in order to receive institutional funds.** Institutional scholarships are awarded for the fall and spring semesters only. If a student leaves Belmont during an academic year for any reason, they forfeit the remaining portion of any institutional scholarships. For students who graduate early, institutional scholarships cannot be rolled from a future semester into the current semester in which the student is graduating.
- Scholarships awarded for an undergraduate program of study cannot be applied toward any graduate program.

SATISFACTORY ACADEMIC PROGRESS STANDARDS

In order to receive federal financial aid, students must be making Satisfactory Academic Progress. We are required to apply standards that are both qualitative and quantitative. These standards apply for periods of enrollment beginning on or after August 1, 1998. Eligibility for federal programs will be evaluated as part of the initial application process and again at the end of each academic year. In the evaluation process, all grades of “W” (Withdrawn) or “I” (Incomplete) will be counted as hours attempted but not passed. Repeated courses will count as hours attempted. Entering students are considered to be making Satisfactory Academic Progress. Students cannot receive aid after attempting 150% of the hours required for completion of their academic program. Hours accepted for transfer credit will reduce the time frame.

UNDERGRADUATE STUDENTS

Qualitative: Students must be accepted for admission and be eligible to enroll for classes. Students must also achieve and maintain a cumulative 2.0 grade point average on all coursework attempted, including accepted transfer coursework.

Qualitative: Students must average passing 66.67% of all hours attempted.

GRADUATE STUDENTS*

Qualitative: Students must be accepted for admission and be eligible to enroll for classes. In addition, students must achieve and maintain a cumulative 3.0 grade point average on all coursework, including accepted transfer coursework.

Qualitative: Students must average passing 66.67% of all hours attempted.

**Not including Pharmacy and Law students*

PHARMACY

Qualitative: Students must be accepted for admission and be eligible to enroll for classes. Students must also achieve and maintain a cumulative 2.3 grade point average on all coursework attempted, including accepted transfer coursework.

Qualitative: Students must average passing 66.67% of all hours attempted.

LAW

Qualitative: Students must be accepted for admission and be eligible to enroll for classes. Students must also achieve and maintain a cumulative 2.5 grade point average on all coursework attempted, including accepted transfer coursework.

Qualitative: Students must average passing 66.67% of all hours attempted.

Course Program of Study (or CPOS) is a federal requirement by the U.S. Department of Education that mandates only the courses in a student’s declared major or minor degree program will determine that student’s eligibility for federal or state financial aid. The types of aid that are affected include the Pell Grant, Federal Work-Study, federal loans, the HOPE Scholarship, TSAA, etc. In order to remain eligible to receive full-time federal and state financial aid, the student must be enrolled in a minimum of 12 credit hours within their degree program.

If the student registers for fewer than full time in-program hours (12 hours for undergraduate students), their offered financial aid and the overall Cost of Attendance (the maximum amount of financial aid the student can receive) may be reduced. The student should verify with their advisor at the time of registration that the registered hours count towards their degree program.

Withdrawal Policy

Registration at the University is considered a contract binding the student for the entire semester. Many commitments of the University are based upon the enrollment anticipated at the beginning of the semester. ***Withdrawal from any classes after the conclusion of the drop/add period can result in the reduction of Federal Direct Loans. Non-payment of account or non-attendance of classes does not constitute an official withdrawal from the University.*** If you wish to withdraw from all of your courses, this is considered a “Complete Withdrawal” from the University. To officially withdraw, students must complete the following procedures:

1

Visit www.belmont.edu/registrar and click on Registrar Forms

2

Complete the University Withdrawal Agreement Form electronically

3

Submit the form electronically to the Office of the Registrar for processing

Any student refusing to conform to the disciplinary rules of the University or being suspended for academic reasons will forfeit all claims to any refund.

After the drop/add period ends, there will be no refund of Student Fee or Course Fees.

FULL TERM FALL AND SPRING SEMESTER COMPLETE WITHDRAWAL SCHEDULE

When a student officially withdraws from all courses for a term, any refund of tuition will be governed by the refund policy on page 11.

WITHDRAWAL OF STUDENTS WHO RECEIVED FEDERAL TITLE IV FINANCIAL AID AND THE RETURN OF FEDERAL TITLE IV FUNDS

When a student who received Federal Title IV financial aid withdraws from the University, the unearned portion of these awards may be returned to Federal Title IV financial aid programs. Federal Title IV financial aid includes the Federal Pell Grant, the Federal Supplemental Educational Opportunity Grant (FSEOG), the Federal Direct Loan and the Federal Parent Loan (PLUS) and the Federal Graduate PLUS Loan..

Belmont University returns any unearned portion of financial aid in accordance with federal guidelines. Students and parents should note that the requirement to return Federal Title IV funds may result in a balance due to Belmont University subsequent to withdrawal.

FALL/SPRING TUITION REFUND POLICY

Any student removed from Belmont housing for disciplinary reasons will be responsible for all housing charges assessed for the semester he/she is removed. The \$100 Housing Application fee is nonrefundable. View the complete housing agreement at belmont.edu/reslife.

Please note: This table is independent of the University's refund table for tuition and other fees.

CREDIT BALANCE REFUND POLICY

The first refund date of each semester will be no later than 14 days after disbursement. Prior to issuing a refund the credit balance will be reviewed for eligibility as Federal, State and outside aid are applied first to educational charges. Following the first refund date, refunds will be processed weekly. Email notification will be sent regarding the direct deposit refund. For students who have a refundable credit balance and are not signed up for direct deposit, a paper check will be printed and mailed to the billing address we have on file. These checks will be unavailable for pickup. It is the student's responsibility to maintain a current address.

A credit balance may not be refundable or may be reduced/delayed should any of the following apply:

- ***Institutional aid is not refundable. Federal Pell Grant and loans are the only refundable forms of financial aid.***
- Student has received the maximum amount of financial aid allowed by the financial aid budget.
- Institutional Probation. Institutional Probation is defined as a period of time during which any further violation of the Community Code of Conduct puts the student's status with the University in jeopardy. If the student is found "responsible" for another violation during the period of Institutional Probation, serious consideration will be given to imposing a sanction of Suspension or Expulsion. Institutional Probation could potentially affect his/her ability to represent the University in leadership positions or on athletic teams, participation in student activities and study aboard opportunities, entrance into University residence halls or other areas of campus, or contact with another specific person(s);
- Suspension from Belmont University. Separation from the University for a specified period, which includes loss of all tuition, fees, coursework and other privileges of an enrolled student; and
- Expulsion from Belmont University. Separation from the University without the possibility of readmission. A student will lose all tuition, fees, coursework and other privileges of an enrolled student.
- If a student account reflects a credit balance created by a PLUS loan, the PLUS loan will be mailed to the address on the Parent PLUS loan credit application or the parent can sign up for a direct deposit eRefund through their authorized user account.

DIRECT DEPOSIT REFUNDS

Belmont is pleased to offer direct deposit for student refunds and parent refunds. Direct deposit allows funds to be electronically transmitted into your student checking or savings account, thereby eliminating mailing delays and the need to stand in lines. Students can sign up for direct deposit by linking to Banner Web from my.belmont.edu. If SFS has already processed and mailed a refund check and the check becomes lost or expired, SFS can reissue the refund in direct deposit format only. Parent refunds are only available to the Parent PLUS Loan borrower for credit balance eligible for refund stemming directly from the Parent PLUS Loan funds. A Parent PLUS Loan direct deposit account can be setup through the parent's Parent Portal/Authorized User page and will be asked to verify the email, SSN and DOB used in the PLUS loan application.

Miscellaneous

BRUIN BUCKS AND DINING DOLLARS

Dining dollars included with a meal plan must be used in the academic year in which the meal plan is purchased. In this instance, any remaining dining dollars will not carry over to the next semester. If you purchase Bruin Bucks, any unused amount may roll over until they are used. You may add additional Bruin Bucks to your student account through your myBelmont account (see cut off dates below). Equivalency meals do not carry over.

Last day to add Bruin Bucks online: Spring semester–March 20
Fall semester–October 31

To purchase Bruin Bucks online, please use the following steps:

1. Login to your MyBelmont Account
2. Select the **Housing Tab**
3. Select **Meal Plans**
4. Select **Dining Plans**
5. Click **Purchase Bruin Bucks**

After the period ends, students can add Bruin Bucks through their Transact E Accounts. Stop by Belmont Central, located in Gabhart Student Center, or call 615.460.5402, and they can assist you with purchasing additional Bruin Bucks. If adding Bruin Bucks past the cutoff date, payment will be required at the time of purchase.

FINANCING SUMMER SCHOOL

Summer sessions are optional terms. If you are planning to attend summer school, you must also complete a Summer Aid online application. You may access an electronic copy of the Summer Aid application at belmont.edu/sfs (under the “Forms” heading). If your federal loan and grant funds have been exhausted for the year, you may still be eligible to apply for additional PLUS or Alternative loan funds for the summer. Nelnet payment plans are available for summer sessions. For additional questions regarding summer school Financial Aid, please contact the Office of Student Financial Services.

ENROLLMENT FEE

There is a \$400 enrollment fee for all new incoming freshman and transfer students. Please note that the enrollment fee is **non-refundable**.

EDUCATION TAX CREDITS

The Office of Student Financial Services is responsible for issuing all 1098T documents to students. All documents will be processed by January 31, following IRS guidelines. Students may consent to electronic delivery of their 1098T through their MyBelmont account. This ensures fast delivery and ability to access the document without waiting for postal delivery.

STUDY ABROAD

Students studying abroad receive a 2/3 discount on tuition for Maymester and summer semesters for those courses related to the study abroad trip. Institutional aid cannot be used for Maymester or summer semesters. To qualify for federal/state aid, students must meet credit and CPoS requirements. Additional information on financial aid and costs for study abroad, check out the website belmont.edu/sfs/study-abroad or email abroadfinaid@belmont.edu.

STUDENT HEALTH INSURANCE PLAN (SHIP)

Students' wellbeing is a top priority at Belmont. In alignment with this commitment, Belmont requires all full-time, degree-seeking undergraduate and graduate students to have health care coverage while enrolled at the University. Visit belmont.edu/student-insurance for more information, how to confirm coverage or to waive enrollment.

Please note: Institutional aid cannot be applied towards covering SHIP charges.

PAYMENT AUTHORIZATION FORM

Per Title IV Federal regulations, Belmont University will disburse Federal Aid to be applied to tuition, fees, room and board. By answering 'Yes' to the first question, you can elect to have your financial aid pay for additional charges on your account, i.e. Health Insurance charges, Barbri Law Fees, College of Medicine — Kaplan Board Fee, fines (judicial, residence life, parking), etc. Answering 'Yes' to question two authorizes any credit balance resulting from financial aid (Title IV), Nelnet Payment Plan overpayments or personal payments (online, check, etc.) for a future term. Visit belmont.edu/sfs/forms.html for more info and to complete the form.

FEDERAL WORK STUDY

Federal Work-Study (FWS) is a financial aid program that allows students to work on-campus or with approved off-campus community service employers to earn money to pay for college expenses. FWS is not a grant (you must work to earn it), and it is not a loan (you do not have to repay it). Eligible students are awarded FWS when they complete their Free Application for Federal Student Aid (FAFSA).

CONSENT TO CONDUCT BUSINESS ELECTRONICALLY

- I consent to receive electronic communication for billing statement(s), payment reminder(s), payment method(s) and direct deposit refund(s). I understand that as the student, I am the primary contact for electronic statements, and any other persons that I authorize to receive these statements will receive electronic notification at the time a statement is generated.
- I consent to being contacted on all phone numbers, including cell phones, provided to the University as a source of contact. This includes contact from its agents, representatives and attorneys (including collection agencies) for purposes of collecting any portion of my account financial obligation which is past due.
- I understand that Belmont will provide access electronically to my IRS Form 1098-T every year I have reportable transactions with Belmont University.
- If you would like to opt out of email communications from collection agencies in the event your account is sent to collections, please email ebill@belmont.edu.

STATEMENT OF FINANCIAL RESPONSIBILITY

Enrolling in classes at Belmont University constitutes a student's financial commitment to pay the tuition, fees and other applicable charges associated with enrollment. By clicking on the box below, you (student) indicate that you have read and agree to abide by the terms and conditions below:

- I understand that registration is a binding contract between me (student) and the University where advanced value is provided in the form of educational services.
- I agree to pay tuition, fees, and other educational charges including, but not limited to housing, meal plan, as well as parking fines by the published payment due date found on the SFS web page belmont.edu/sfs.
- Non-attendance does not relieve me (student) from the financial implications of registering for classes, housing, or meal plan. University Withdrawal Policy: belmont.edu/registrar/academic-policies/withdrawal-policy.
- I assume responsibility for charges not paid by a third party including corporate sponsors, employers or other third parties who agreed to pay for tuition, fees and other education charges to Belmont on my behalf.
- I understand my responsibility to meet the published payment deadline regardless of whether or not a statement was received.
- If it is necessary for Belmont University to refer my account to a collection agency for collection, I agree to reimburse Belmont University the total amount of all costs and fees incurred in collection of the debt. I understand that this amount may include a percentage of the debt owed up to a maximum of 35% of the debt.
- I understand that I will not be allowed to register for classes in a future term if there is an unpaid balance in my student account with Belmont University or any of its collection agencies. I further understand that an unpaid balance will result in a hold being placed on my account, which will inhibit me from receiving a diploma.
- I understand that if I am not enrolled as a full-time student (at least 12 semester hours) and have not completed the FAFSA I will not be eligible for consideration to receive Belmont's financial grants or scholarships.
- I understand that Federal, state nor institutional financial aid cannot be applied to a past due balance.
- It is my responsibility to view my MyBelmont account to access billing statement(s), email reminder(s) and financial obligation(s).

Belmont University is a Christ-centered community. In recognition of God's design for humanity and rooted in the life, death, and resurrection of Jesus Christ, Belmont University does not discriminate against individuals on the basis of race, color, ethnicity, national origin, sex, age, disability, military service, veteran status, sexual orientation, or any other classification protected by law in its policies, programs, activities, or practices. This policy applies to all recruitment, admissions, financial aid, educational, employment, or other University-administered policies, programs, activities, or practices.

Belmont University has appointed the Chief Human Resources Officer/Deputy Title IX Coordinator to serve as coordinator of non-discrimination compliance for staff and faculty. The Director of Institutional Compliance/Title IX Coordinator serves as coordinator of compliance for Title IX (sex discrimination) issues and questions for students. **To read the full Nondiscrimination Statement and view contact information for Title IX concerns, visit belmont.edu/nondiscrimination.**
