TOWERING TRADITIONS

An aerial photograph of a city skyline, likely Atlanta, Georgia, is shown in the background. The skyline features numerous skyscrapers and buildings. A large, dark blue rectangular overlay is positioned in the center of the image, containing white text. The text is arranged in three lines, centered horizontally. The top line reads 'Learning', the middle line reads 'Real-World Experience', and the bottom line reads 'Christ-Centered Community'. The bottom portion of the image shows a closer aerial view of a campus or residential area with brick buildings, green trees, and a parking lot with several cars.

A blue rectangular box is overlaid on the left side of the image, containing white text.

An aerial photograph of the Belmont University campus in Nashville, Tennessee. The image shows several large, multi-story brick buildings with gabled roofs and dormer windows. In the foreground, a large, dense crowd of people is gathered on a green lawn, arranged in several curved lines. To the right, a prominent white building with classical architectural features, including columns and a pediment, is visible. The sky is overcast, and the overall scene is captured from a high angle, looking down on the campus.
